## Dennis And Adams Resign; Who Will Be Next To Leave?

TED BOHLER, Braves second baseman drives one down third base line, helping to hand San Marino Mets their first loss and boosted themselves into the Pasadena City Championship. It was a 6-3 victory for the Braves.

### Heavy Blow To Welfare of City; Investigation Needed

#### Dennis States Job 9 Months Ago Had Promise and Interest; Efforts Blocked

Coming as no surprise to the staff of the Sierra Madre News, Darwin Dennis, City Administrator for the past nine months, and City Engineer Larry Adams, three-year employee, tendered their resignation in unison at the regular meeting of the City Council Tuesday evening.

The complete resignations, which are self-explanatory, are as follows:  
To City Council:

Nine months ago when I accepted the position of City Administrator of Sierra Madre, I viewed the position as one filled with interest, as a challenge and with hoped for job satisfaction. My interest lay in the belief that I, as a newcomer, could view the city's organization objectively, and, on the basis of my analysis, make recommendations for the improvement of the organization and of procedures that would be of value for the city to adopt. The challenge of the position lay, at that time, in being able to carry out the implementation of those administrative procedures deemed to be of value by the City Council; the job satisfaction I knew would be forth coming in watching how such new procedures and plans would bring about more economical and efficient municipal services for the citizens of Sierra Madre.

men of personnel and of their professional judgment has been felt throughout the organization, resulting in a general feeling of insecurity and a severe deterioration of employee morale.

In my opinion, there are many on the City Staff, competent, can perform their work well and are willing to do so, but cannot unless they are allowed to function in a properly constituted organization under the proper lines of authority with the full support of the Council, but without interference in carrying out the policies of the Council.

Because of our obvious differences in the philosophy of good municipal administration, I am certain

REX NIELSEN, centerfielder for the Sierra Madre Braves, slides in and scores a run in the game that sent Sierra Madre to the Pasadena City Championship semi-finals by beating San Marino, 6-3.

### First Game Won By Sierra Madre

Little League teams began competition for the Pasadena City Championship on July 5 with Sierra Madre posting its first win.

The hitting power of the Braves overwhelmed the East Altadena Giants 9-4. Dave Groff drove in six of the nine runs with a homer, double and a single, and Bart Bradley, Braves shortstop, got four hits for four times at bat. Altogether the Braves got 12 hits to the Giants 6.

THE SPARK behind the Braves and their rise to the Pasadena City Championship semi-finals are cheerleaders Kim Fletcher, Susie Groff, Stephanie Bohler, Connie Jones and Patti Nielsen.

### First League Competition

### Sierra Madre Swim Team Loses By Narrow Margin

Sierra Madre Swim Team lost by a narrow margin to Monterey Park's team at its first league competition meet of the season last Saturday, July 8, at Barns Park pool in Monterey Park.

The 50-meter pool gave Sierra Madre's team one of the longest distances to swim, but the team came home with nine first places, 25 seconds, and 17 seconds, and 17 thirds to its credit.

Sweeping through the competition to take firsts in all the events for 11-12 girls age group were Debbie Temple placing first in freestyle in 37.6, Gretchen Popp taking backstroke in 46.7, Debbie Knickelbein swimming breaststroke in 45.2, and butterfly in 43.5, and the freestyle relay team composed of the two Debbies, Gretchen, and Leigh Jacobson, taking the 200-meter freestyle relay in 2:37.6.

Boys in the 8 and under group received two first places through the efforts of Owen Lubow, swimming freestyle in 45.5 and breaststroke in 1 minute flat. Andy Rogers in the 11-12 group took first in butterfly in 40.2, and second in freestyle. Mark Brown, 13-14 group, garnered a first in breaststroke in 44.4, and a second in butterfly.

Further placings enhancing the showing of Sierra Madre's team were the following:

Eight and under girls: Mary Cummings, placing second in breaststroke; Wendy Mitchell, third in —Please turn to Page 3

### Swordfish At Neptune

A delicacy that all have been waiting for to make their barbecuing more tasty, has arrived this week at the Neptune Seafood in the Foothill-Rosemead Shopping Center.

The first of the season swordfish is now on the market, so fire up your barbecue and come to Neptune Seafood, just around the corner from Wiley-Hastings Liquor Store, and surprise the family with a swordfish barbecue.

### Pasadena Man Missing

Santa Anita Canyon was combed Sunday afternoon by the Sierra Madre Search and Rescue team in an effort to find a 65-year-old Pasadena man who turned up missing while on a family picnic Sunday.

Herachio Aguirre, 65, of 512 Mar Vista Ave., disappeared at 2 p.m., his son, Louis, 33, told U.S. Forest Rangers. Louis said his father was last seen near the East Fork of Big Santa Anita Dam below the Conway cabin.

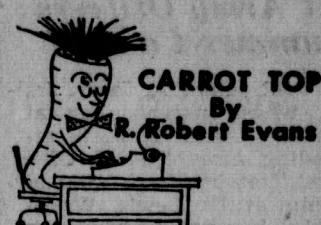

An all-out search began at 5 p.m. after Louis and his children hiked to the U.S. Forest Ranger station and reported the elder Aguirre missing.

Aguirre was wearing a hiker's outfit, but was clad in a short sleeve summer shirt, his son reported.

### Water Rates Increased

Water rates for the residents of Sierra Madre have been increased. They were increased Tuesday night with the second reading and adoption of City Ordinance 790, and according to law become effective 30 days after its adoption.

Since August 11 will be the date that the increase becomes effective, there is a little question in the minds of management as to whether they may defer the play-offs.

CARROT TOP  
By  
R. Robert Evans

We really received some good news on Monday of this week when we were given the information from our dear friend Councilman Severin Sorensen, that he had just gone through his yearly physical and examination consisting of over 15 check points and was given the following approval by his doctors: "You are in a better health condition now than you have been in for some years" . . . Could this by chance mean anything for the future? We are certainly happy about this report which has always been a deep concern of mine.

—CT—

My, my, my, here we are two weeks into our sixth year in Sierra Madre, and there are still people hereabouts who stated that this "Joker" won't last much more than a year. And during all of this time, I have "sold out," "gone broke" and "quit" more than a dozen times. It only goes to show you that the good things do not last long, but the bad ones keep right on year after year.

—CT—

Cheer up, folks, I am now 54 and have only 11 more years to go before retirement, so time is getting shorter and shorter, and as the monkey said as he backed into the lawnmower . . . "It won't be long now."

—CT—

I had an interesting article brought to my attention that was printed in an area paper—all about newspaper racks and feeding your family from their proceeds.

—CT—

I could have told this party that it was useless to try and feed any size family from the proceeds from newspaper racks in Sierra Madre. Just ask any of the dealers. I found this out the first couple of weeks that I was here.

—CT—

My early days in Sierra Madre, when we had what are called "honor racks," we were consistently losing the sale of 400 papers a week. In close tabulation we would put out around 900 papers and receive about \$50 per week, or sold 500.

—CT—

In those days pennies were our greatest trouble. Guess people just figured the paper wasn't worth more than a penny, and many of them thought it wasn't worth anything.

—CT—

As increased sales became apparent, we purchased new newsracks, ones that would let a penny slide through. Our close tabulation during the past six months shows that we consistently put 1400 newspapers in our racks and receive back for this approximately an average of \$120 per week. We are still losing over 200 papers a week.

—CT—

Our biggest problem today is "slugs," and we get a pocket full of them weekly. Pennies now fall through. And we receive a donation of anywhere from twenty to thirty pennies a week.

—CT—

But the one that really gets us is the guy or guys who take time to file down a penny until it is the size of a dime. The work these people must go to to save themselves nine cents is terrific. But I suppose it is a great satisfaction to them in getting a ten-cent item for one penny. Anyway, I gave up long ago on figuring consistently that I could feed my family on the money from the newsracks.

—CT—

I truthfully do not feel that the people of Sierra Madre are "dishonest," but it is extremely hard for people to drop a dime in a newsrack when they know that the papers in this area are lying all over the street, in the gutters and on the lawns. You just can't blame them too much. Anyway, I get a lot of satisfaction out of knowing that the papers are not taken out of the streets, so the person or persons taking them must have some use for them, and thus our advertisers do get some value out of the "pirated newspapers."

—CT—

Another thing that I learned over five years ago, and I am sure others will learn very soon, if they already haven't discovered it . . . Sierra Madre cannot

### New Curfew For Minors Read

### Dogs Must Be Fenced Or Leased On Own Property

Two new Ordinances were introduced at the City Council meeting of Tuesday, July 11, which, if given first reading will have their second reading on July 25 and then becomes law thirty days later.

The first of these Ordinances was No. 795 which will establish a Juvenile Loitering Law within the city of Sierra Madre amending Sections 6303 and 6304 of the present City Code and will become applicable to persons under the age of 18 years of age.

The new sections will make every parent, guardian, or other person having the legal care, custody, or control of any person under the age of 18 who knowingly aids, abets, or encourages such person to violate any of the provisions to be guilty of a misdemeanor, and sets the curfew for such persons at 10 p.m. to sunrise. Penalty has been set at not more than \$500 or by a period of not to exceed six months in jail or by both

such fine and imprisonment.

Ordinance No. 796 will be given its first reading and will encompass the "Leash Law." If adopted on July 25 and becomes effective 30 days hence it will be required that all dogs must be fenced in or placed on a strong leash while on a fence is available while confined on their OWN PROPERTY.

### Firemen's Annual July Picnic

It was bigger and better than ever, and that's the way the Sierra Madre Volunteer Firemen, their families and guests enjoyed their annual Fourth of July picnic. From noon that day until all went out but happy and tugging home after the day together exemplified the feeling of the more than one hundred who attended the annual Fourth picnic.

The Fourth of July picnic for the Sierra Madre Volunteer Firemen has been a tradition of many years standing. Years ago it was necessary to require all firemen to stay at home and in town to be ready for any fire emergency. Those were the days of live fireworks being shot off from nearly every home in the area.

Not being able to attend any of the celebrations and always on the alert throughout the day it was decided that "why not get together in one spot in town with our families and enjoy the day together."

For many years it was the site of the Wisteria Vine that was the Fourth haven for the firemen, then buildings and private ownership necessitated them to move. The city park was tried one year, but more privacy was the desire of the firemen, and it was Mr. and Mrs. John Maddox that graciously offered them their home.

Two years later Mr. and Mrs. Frank Parks was the congenial hosts. This year's annual affair was held at the home of Mr. and Mrs. R. Robert Evans, 712 Camillo.

### Fire Loss At \$1500

The Sierra Madre Volunteer Fire Department was called at 9:02 to the third biggest fire of the year when they answered the call Tuesday evening to the residence of George Frye at 702 West Alegria.

Crown Truck 1, the new piece of equipment placed in service some 30-days ago, arrived at the scene 3 1/2 minutes after the sounding of the alarm. Crown Truck 4 arrived 15 seconds later. Water was on the fire in six minutes and containment was in 8 minutes.

The quick response of the department saved the house, but was a complete loss as far as the garage was concerned. The family was not at home at the time of the blaze, but stated that it may have been caused by a hot lawnmower placed in the garage late that evening. Firemen dug out six-gallon cans filled with gasoline, which would have been disastrous if it were not for —Please turn to Page 5

### Runaway Car Hits Front Door Of Oldham Home

Mr. and Mrs. James Oldham, of 58 W. Grand View had their front door enlarged in quite a unique way . . . by a runaway automobile. Fortunately no one was injured, but Mrs. Oldham and their young son, John 11, had a narrow escape.

Saturday, July 1, is when the accident occurred, approximately 10:45 a.m. A car parked on the north side of the street started rolling backwards jumped the curb, crossed the lawn and crashed into the front door.

Mrs. Oldham says he entry way and front door is quite large and if the car had made a direct hit she may have found it well into her entry hall! But the vehicle evidently moved at an angle, hitting the stone work and door frame and then coming to a halt.

Just minutes before the accident, Mrs. Oldham and John were on their way out the front door. The phone rang and they both retreated into the other room to answer it. After she picked up the phone, the crash came.

The call was Mr. Oldham at work. He thought he had heard his business phone ring, but wasn't close enough to answer it. Thinking it may have been his wife, he called her.

—Please turn to Page 5

Unfortunately, the past nine months have been an object lesson in futility. Many recommendations have been made, but few adopted. Those that were approved have had their ultimate success handicapped by Council disagreement. The others have been lost in the abyss of Council debate.

I had also believed the City Council wanted a full-time Administrator who would be delegated proper responsibility and authority; it is now evident that this is not the case.

The entry into the area of Administration by certain members of the Council along with resultant pressures and criticism have precipitated the resignations of several top staff members over the past six months, and will, in all likelihood, result in additional resignations in the near future if the present practice is continued.

Criticism by some Council-

### Assessments Are Now In; Show Rise

County Assessor Philip E. Watson on Monday announced that the 1967-68 assessment roll shows an increase of 7.71 per cent over last year, and at the same time he urged all taxing districts to hold the line on spending to keep property taxes down this year.

Watson said the preliminary County assessment roll shows a net total of \$15,533,445,465, a gain of \$1,112,799,160 from the 1966 net total of \$14,420,646,305.

This is a substantial increase over early estimates, Watson said, primarily because business personal property returns showed an unexpected 15.7 per cent upturn in value.

"In effect," Watson said, "this amounts to a windfall to many taxing districts. If they take advantage of it to squeeze every available penny from the property owners, they can expect a renewed deluge of protests and 'taxpayer revolts' when the bills go out in November."

### Youth Mass At Passionist Monastery In SM

All college and high school students in the Sierra Madre-Arcadia area are invited to attend a special Youth Mass this Sunday by the Youth Leadership Group of St. Rita's Church. This first of a planned series of Youth Masses will have as celebrant Father Columba Quinn in Valyermo. Contemporary music for the mass has been composed and will be personally directed by Sebastian Temple. The mass, offered in the spirit of Ecumenism espoused by the Vatican Council, will be offered in the chapel

## At Army Officers Summer Camp

Cadet James A. Jarvis Jr., 20, whose parents live at 532 W. Grand View, is attending Army Reserve Officers' Training Corps summer camp at Ft. Lewis, Wash., which began June 16. Jarvis is a student at the University of California at Berkeley.

He is receiving six weeks of training in leadership, rifle marksmanship, physical conditioning and other military subjects.

Upon successful completion of training in leadership and graduation from college, he will be commissioned a second lieutenant in the U.S. Army.

Jarvis was graduated from LaSalle High School, Pasadena, in 1964. He is a member of Kappa Delta Rho fraternity.

## You and Your Neighbors

by LYNN RICHARDSON

James and Barbara Heasley Jr., are happy grandparents again. Their daughter Janice gave birth to a little baby girl on June 28. Janice and her husband Jim Moffat live in Sacramento along with their three other children. Their newest arrival, was named after her great-grandmother, Jennie Knight of Sierra Madre.

Mrs. Knight told me her daughter and granddaughter had the emergency maneuvers all planned out. When Janice knew the time had arrived, she called her mother in Sierra Madre and Mrs. Heasley flew up to Sacramento to care for the children. She stayed a week to help her daughter get her bearings again and then flew home. They all are so pleased; the Moffats have two girls and two boys.

The Seitz family had a visitor for a day. Mrs. Seitz's long time friend, Marijean King, came to see her while she was visiting friends of hers in this area. She was down here from her home in Palo Alto. The two women grew up together in Colorado and they haven't seen one another for nine years, so they had plenty of news to tell each other.

Dr. and Mrs. William Stewart are grandparents for the first time. Mrs. Stewart

art flew to New York to help her daughter and son-in-law, Mr. and Mrs. Ledbetter, and their new baby boy, Steven John. She plans on staying three weeks. Meanwhile, her daughter, Carol Ann, is taking care of the house, her father and her brother, David. David says she's doing a great job. Mary Lee Ledbetter will postpone working on her doctorate degree for a little while. She is studying at the Rockefeller Institute and hopes to obtain her doctorate in biochemistry.

American Opinion Bookstore has one of the most interesting copies of a museum piece that I've ever seen. It's framed and mounted in the display window. There are four articles in the mounting: a brief sketch, a man's picture, a very old American flag with 14 stars, and a page of paper, all yellowed by age, with a poem written in small, neat handwriting on it. Mr. Paul Haakstedde of Arcadia owns it. He got it directly from Williamsburg Pa., where the original is kept. That poem has affected the life of every American since it was written on that paper—Francis Scott Key's "The Star Spangled Banner."

Mr. and Mrs. Preston Spalding and their sons, Billy, 4 years old and Ricky, 2 years old, took their vacation in June. They went camping up at Big Bear. The weather was great, real warm days and cool nights. They have a camper so the cooler weather at night was no problem. The Prestons said they sure had a great time. They were really impressed with the beauty of the countryside, green and refreshing!

Spain is about three-fourths the size of Texas.

## Finance Approval Granted For Insect Control

The Board of Supervisors has approved an agreement extension dealing with efforts to control insects at the County Flood Control District's various water spreading facilities. Supervisor Warren M. Dorn said recently.

Southeast Mosquito Abatement District will continue to work with CFCD in minimizing the effects of the pests.

Dorn said the two agencies have had contractual arrangements for insect control since 1962. Use of Abatement District personnel provides the most economical and safest means of application, he pointed out.

Under terms of the agreement approved by the Supervisors, the Flood Control District will pay up to \$5,000 for the service during the 1967-68 fiscal year.

## Hunter Safety Training Course

A hunter safety training course sponsored by the California Varmint Callers Association, Pasadena Chapter, for both youngsters and adults will be given at Valley View School, 237 Mel Canyon Rd., Duarte, from 7 p.m. to 9 p.m. on the following dates: July 17, July 18, July 19, and July 20.

If you are between the ages of 12 and 18 years and have not previously had a hunting license in California, you are required to pass and be certified in the hunter safety course before you can obtain a hunting license. Adults are also accepted.

For further information and enrollment call Steve Blake at 357-1584.

Polio is decreasing rapidly. Only 72 cases were reported in 1965, according to the U.S. Communicable Disease Center.

## WCTU Meeting Scheduled July 14

The annual meeting of Pasadena Federal (District) of the Woman's Christian Temperance Union will convene at Pasadena YWCA Friday, July 14 at 10 a.m. with lunch at 11:30, and afternoon session at 12:45 p.m. Mrs. Ruth Gates Miller, president, will preside.

Local union and its president participating will be Mrs. Nell Vieira.

Please contact your above president, or phone 799-7359 for luncheon reservations.

A special invitation is extended to all former members, friends and visitors.

## Begonia & Shade July Plant Show

The San Gabriel Valley Branch of the American Begonia Society will hold their annual Begonia and Shade Plant Show Saturday and Sunday, July 22 and 23, at the Los Angeles State and County Arboretum, 301 N. Baldwin Ave., Arcadia.

The show will be open on Saturday from 1 to 5:30 p.m. and on Sunday, from 9 a.m. to 5:30 p.m. Admission is free and door prizes will be awarded.

Personals are \$1.25 and can be placed in an envelope and placed under the door . . . no name needed. No charges accepted.

## Letters To the Editor . . .

Dear Editor:

I must report an unusual and happy experience on Friday, July 7. I left my wallet with a sizeable amount lying on the counter Office. Mr. Rudy Ruiz of the Post Office found it and called me at home and let me know he had found it and was holding it for me. Sierra Madre can be proud to have such stubbornly honest citizens as Rudy.

I need not point out that this quality of man is becoming rarer and rarer nowadays.

—ENOCK Q. BOURGEOIS

Dear Editor:

Many thanks to you for all of the fine publicity we received for the July 4th Celebration. All of the small items, the ads, the articles, have helped add to the interest of the affair, and to encourage participation.

Your interest, as well as your fine cooperation, are very much appreciated.

Sincerely,  
—FRANCES KING  
DOTTIE UNDERWOOD.

The French are consuming more Scotch whiskey although wine is still the top choice.

## You and Your Neighbor

by LYNNE RICHARDSON

Harry and Irene Jackson she sure enjoys it. This spunky, little lady has certainly done a great job so far!

— ☆ —

Mr. and Mrs. Earl Anderson have a family of teachers! Daniel has returned from two years of teaching in Portland, Oregon. He taught music and was also a violinist in the Portland Symphony. This fall he will teach for the Hudson School District in La Puente. Another talented Anderson son, is Richard. He's working part time and attending Claremont to work on his Master's Degree in Music Education. He'll be teaching fifth grade this coming semester in the Hudson School District. Judy, who was also studying to be a teacher, married one instead. She and her husband live in Granada Hills and he teaches chemistry. The Runderletts have four children; Daniel and his wife have one and are expecting another in August. The Andersons love the family gatherings, gives them a chance to fuss over their grandchildren. Mrs. Anderson said they sure enjoy getting together, the conversation never stops.

**Meeting**  
"Understanding School Finance" will be presented at 7:30 p.m. July 16 on KPCB by the League of Women Voters of Pasadena. Speakers will be Paul B. Salmon, superintendent, Pasadena Unified School District; Frederick G. Fox, assistant superintendent, Los Angeles City schools, and Joseph E. Haring, chairman of economics, Occidental College. Mrs. June Owen, league president, will moderate.

freestyle; freestyle relay team composed of Elizabeth Bullard, Hilary Jenkins, Jennie Matakovich, and Kathy Fleischer, second.

Eight and under boys: Andy Heard, second backstroke; Dana Knickelbein, second freestyle and second butterfly; Scott Delahooke, third backstroke; Mark Ybanez, third breaststroke.

Nine-ten: Beth Brady, second breaststroke; Adrienne John, second backstroke and second freestyle; Kathy Fleischer, second butterfly; Amanda Smith, third breaststroke and third freestyle; Erin Michael, third backstroke; relay team with Adrienne, Amanda, Erin and Barbara Lubow, second.

Nine-ten boys: Ed Rogers, second butterfly and third freestyle; Walter Popp, third breaststroke; Dan Banis, third backstroke and third butterfly; relay team with E. Rogers, Popp, Banis, and Dana Knickelbein, second.

Eleven-twelve girls: Cindy Fleischer, second breaststroke and second backstroke; Leigh Jacobs on, third breaststroke.

Eleven-twelve: John Cowan, second breaststroke and second backstroke; Ron Paschall, third backstroke and third butterfly; and relay team with Cowan, Paschall, A. Rogers, and Banis, second.

Thirteen-fourteen: Sue Banis, second backstroke and second freestyle; Peggy Bullard, third butterfly; Peggy McConnell, second butterfly; Jennie Jacobson, second breaststroke; relay team with the two Peggys, Sue, and Dominique Paschall, second.

Fifteen-seventeen boys: Frank Hartley, second backstroke and third breaststroke; Dave McConnell, third 50-meter freestyle and third 100-meter freestyle.

Sierra Madre Swim Club Boosters who, along with the Parks and Recreation Department, are sponsors of the team have stated that there are still openings in the over 12 years of age boys groups, and interested persons are invited to phone the pool during the week at 355-7275 for information.

MR. and MRS. JAMES MICHAEL DAY

... Married

On the sunny afternoon of July 2, Jean Anne Conzelman and James Michael Day exchanged wedding vows in the First Presbyterian Church of Monrovia. Rev. James Bell officiated over the ceremony.

Jean Anne is the daughter of Mrs. Edward Conzelman, Jr., of Sierra Madre. She attended and graduated from Sierra Madre Elementary School and Pasadena High. She also attended Pasadena City College for one year.

James Michael is the son of Mr. and Mrs. Clair Day of Monrovia. He attended and graduated from Monrovia High. He is presently in the Underwater Demolition Team in the United States Navy and is stationed on Coronado Island in San Diego.

Mr. John Edward Conzelman, Sr., gave his grand-

daughter in marriage. She was gown in a lovely, empire waist, embroidered organza creation, with a chapel train and an illusion veil. She carried a bouquet of yellow and white roses.

Matron of honor was Mrs. Jerome De Lair, sister of the bride. The bridesmaids were: Julie Brinker, Sanne Huld and Jamie Monson, the bride's niece.

They wore empire-styled lime green, crepe gowns and held yellow, white and blue bouquets.

Best man was Mr. David Day and the ushers were: Michael Tomlinson, Randall White and Gary Rice.

The mother of the bride wore a long-sleeved, yellow lace dress.

The mother of the bridegroom wore an apricot crepe sheath dress with matching lace coat.

Mrs. Glenda Harris hosted the wedding reception, following the ceremony, in her Arcadia home.

The newlyweds plan to honeymoon in Northern California, Oregon and Washington. When they return from their travels they'll make their home in San Diego, while Mr. Day continues his naval training.

### PERSONALS

**PERSONALS** are \$1.25, check or  
cash enclosed. The Staff does not  
compose personals, unless in an-  
swer to one directed to them.  
Personals which obviously indi-  
cate collusion will be withheld  
and money returned if party  
identifies untruthful article.  
Personals are messages between  
two parties who, for unknown  
reasons have no other method of  
contact.

**MERLE** — The only rope  
that I will throw you will  
be one that goes over a  
limb. Get lost young fel-  
low, get lost—ELLEN

**HARRY** — What Sierra  
Madre needs is a couple  
of "first class" funerals.  
Don't you agree? —  
GEORGE N\*7-13

**KATIE** — I am sure that  
you agree with me, be-  
cause your procedure in  
action is as I would want  
it, and the best will be  
yours — SKR

**SULLY** — I'll bet I know  
something you don't  
know. Six names will be  
on the ballot at the next  
City election — give you  
odds you cannot guess  
two of 'em — BBH and  
TURNBULL

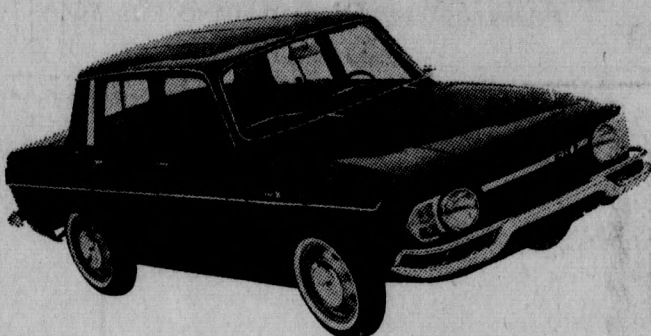

**COUGAR-NUGRRR SAYS:**  
Fellow Sierra Madreans,  
running a city is a serious  
and adult business. The  
recent antics of our city  
council, although seem-  
ingly humorous are in  
reality a tragic example  
of emotional government.  
The community is ill-  
served by this type of  
government.

It takes only one person  
to set the stage for this  
type of unhappy circum-  
stance. Unfortunately, it  
may well take the cooper-  
ation of the entire citi-  
zenry to put the City  
Council back to work for  
Sierra Madre (instead of  
working so feverously to  
preserve personal ven-  
detas).  
Cougar-Nugrrr urges you,  
the citizens of this fine  
city, to attend the Coun-  
cil Meetings. It won't be  
hard to find the "rotten  
apple in the barrel." Make  
your feelings known —  
participate! Save our city!  
Fellow Citizen,  
Cougar-Nugrrr

**RRE** — I guess you and that  
patrolman both found out  
that I like the taste of  
the cigarettes you keep on  
your car seat and would  
rather fight than switch.  
—RAC COON

**JOSEPH** — You little fat  
rascal, I'm still going to  
call you Joey. You are my  
shining star in the gloom  
of Sierra Madre. Stand up  
for your rights honey;  
you're a big man now —  
ANSY NANCY

From Los Angeles  
to Yosemite Nat. Pk.  
on 1 tank of gas.

You can do it easily in a Renault 10. It averages an honest 35 m.p.g. (Multiply that by the 10 gallons its tank holds and you get 350 miles—more than enough for the trip.)

In fact, if you avoid a lot of stop and start maneuvers and stay away from the Renault's top speed of 84 m.p.h., you can even do better than 35 m.p.g.

All it takes is a short trip to our place first. And \$8000.

Beautiful light grey exterior, with red  
leather interior. Low, low miles. Car shows  
excellent care.

### PERSONALS

**DEAR EDITOR BOB:**  
I've been trained to react  
to specific commands  
For obedience and for  
attack.

I'll do what ever the  
occasion demands.  
Sit, stay, go, or come back.  
There are, however, two  
specific words  
I simply cannot abide.  
The phrase "shut up" is  
for the birds.

It makes me want to hide  
From the friends and  
neighbors I want to  
protect.  
The guys and gals, I  
adore.

I'm inclined to say "Oh  
hell, what the heck  
is everyone fighting for?"  
— A MISUNDERSTOOD  
GERMAN SHEPHERD

**MABLE** — Hide ho, hide  
hi, it worked like a charm.  
I waltzed into Vogue  
Laundry and Cleaners,  
just like you said, with 8  
shirts and two blankets . .  
you know those people  
think 99c. The gal said  
four at 99c; four at 99c  
and two at 99c each. Bro-  
ther how does that Jack  
Overholt do it. I think I'll  
take in washing and iron-  
ing on the side. I can send  
them to him and make a  
profit at his prices—MARY

### Fire Loss At \$1500

the quick containment.

Not all firemen are heroes  
at a fire. Ron Twedell spotted  
a Volkswagen in the  
driveway. Noticing that the  
keys were in the car, quick-  
ly jumped in and drove the  
car out of the driveway.  
Then he and a buddy rushed  
to the adjoining house, and  
with the use of a garden  
hose sprayed the adjoining  
garage, this saved the struc-  
ture from any damage.  
When the firemen received  
water, the house, just 15-  
feet away was smoking,  
and would have in minutes  
burst into flames.  
Sixteen volunteer fire-  
men and one reserve an-  
swered the call. Fire Chief  
Charles Brown estimated  
the damage at \$1500. The  
two other large fires this  
year were the Masonic  
Temple and the loss of a  
home on Woodland Drive.

Although terminating my  
services, I will still have  
close ties with Sierra Ma-  
dre in the form of a num-  
ber of friends made during  
my employment. In return  
for the support of these citi-  
zens may I also express my  
thanks.

If the city should have  
need of my services on a  
part-time basis while re-  
cruiting to fill the City En-  
gineer position, I am cer-  
tain we can reach a mu-  
tually acceptable agree-  
ment.

Sincerely,  
Larry W. Adams,  
City Engineer  
Dennis agreed that he

### Runaway Car

She said she heard a very  
loud crash. The neighbors  
also heard it and came run-  
ning to see what caused  
the commotion.

The Oldham's have their  
front door boarded up while  
work is being done on it.  
Mrs. Oldham said she is  
just happy and relieved  
that no one was hurt.

## You and Your Neighbors

by LYNN RICHARDSON

Second Lieutenant Joseph Edwin Jenkins of the United States Army Corps of Engineers drove across country to Fort Belvidere, Virginia, for EOBC Training (Engineer Officers Basic Courses). He has been home in Sierra Madre with his mother, Mrs. Elinor Jenkins and his brother Robert and sister Peggy. Joseph graduated from the University of Santa Clara with his Bachelor of Science Degree in Marine Biology, March 17. He received his commission from the U.S. Army on March 23. Mrs. Jenkins said the course will last nine weeks and then he'll begin his two years tour overseas. When he returns to the United States he wants to continue school, get his doctor's degree and teach. While their older brother is busy, the two younger Jenkins keep up the pace. Robert, who's working this summer, graduated from Pasadena City College. He's preparing to attend Cal Poly College out in Pomona to major in business administration. Peggy will return to studies in the fall too. She attends Mt. Alverno and her mother says she really likes it.

John and Beverly Behr have been having a fairly quiet summer, but their boy and girl find little spare time! Bill, who's 21 years old, is home from the University of Southern California where he's majoring in business. He'll be a senior this year. Nancy, who's 19 years old, is looking forward to her second year at PCC. She's very anxious to get her degree so she can continue on to San Diego State. No specific major decided yet, because she hopes

to go into the fashion world. She has been majoring in home economics but may change to art, both fields encompass clothing and textiles education. Both Nancy and Bill are wild over San Diego, and every chance they get they visit their relatives who live in Point Loma. August 13, their cousin, Dan White is getting married. He is graduating from U.A. Army Officer Candidate program soon. He and his fiancée hope he will be stationed in Germany; chances look good.

Jim and Rosemary Abernethy had a pleasant Fourth of July. They spent the day at their trailer at Newport Beach with their four sons. They came home in the evening and saw the fireworks show at Santa Anita Park. They saw it from here in town. That's one of the nice things about living in a mountain town like ours; you have such a beautiful view of the valley, especially the lights at night. Jim, their oldest son is working hard. He works for the Parks and Recreation Department and also for the Sierra Madre Library. Steve, the second son, is studying biology at Pasadena High's summer school. Mark and John are taking swimming lessons at Sierra Madre Swimming Pool. Mrs. Abernethy says she enjoys this because she walks to and from the pool with them. It's sure good to get out and get exercise like that. She's also acquiring a pretty good tan while watching her two young athletes from poolside.

Herring are usually pickled in brine, although some are salted and smoked.

## "Let's Talk Dry Cleaning"

by Joseph Delgatto, Sr.

We are often asked, "What causes a garment to change in size or shape?" In other words, what makes it shrink or stretch?

Many fabrics, by virtue of their fiber content, weave and the finishing treatment given them, have a certain amount of potential shrinkage. Wool fibers, for example, are extremely sensitive to high temperatures. The weave of a fabric is responsible for the greatest shrinkage factor. Most woolens today are pre-shrunk. But even so, your cleaner must take great care to determine and maintain as far as possible a garment's original size and shape.

Crepe weaves have a marked tendency to shrink or stretch. The crepe effect is formed by tightly twisted threads running on one direction. How much a crepe fabric will shrink or stretch depends on whether the fibers have been over-stretched during the finishing process. If over-stretched, the fabric is almost certain to shrink. If too little stretching has taken place to give a heavy crepe effect, the fabric will most likely stretch from ordinary wear and cleaning.

Sizing a garment is one of the many "extras" in our cleaning service. We try to return every article you send us thoroughly cleaned and "sized" to its proper measurements.

Free mothproofing on everything we clean.

The domestic cinnamon tree is allowed to grow to a height of not over eight to 10 feet. It needs a sandy soil and lots of water.

The mean summer average temperature in Mossac is 70 degrees. During the winter it is 23.

## FROM THE Fire Side

Well I guess Lee Graves wants to be called Doctor Graves now. They say he administered first aid to so many people up at the Monastery Fiesta that it looked like an assembly line. He only had to turn over one case to the professionals and that was a badly gashed foot where they couldn't get the bleeding stopped. Gee, Doc, I wish I had talent! Come to think of it that's not too good of a combination — doctor and Graves. Ugh!

The firemen's picnic went off with nary a hitch and it was a tremendous success to say the least. One sidelight was a misstep by Grippi, the fine collector, on to the siren switch at the picnic. That'll cost him a buck and he can bet the rest of them won't let him forget it. Champion L.I. Fine For Stepping On the Siren Evans was standing there watching when it happened. Tough, Joe, but that's the way the old siren works.

Forgetting your store teeth when answering alarms seems to be contagious. The other Bob (Clark) forgot his the other day. I wonder if that isn't the same as being out of uniform?

It's tough to fight a fire with one hand over your mouth to try to hide the wide open spaces, isn't it Bobby?

John Buchan looked so darn sexy in his costume for the Fourth of July Parade half the fire department tried to make a pass at him (her?).

Leonard Hall and his family are flying back to Canada for a vacation. At least he says it's for a vacation, but I think maybe he's being deported!

The Burlesons have just returned from Tahoe and "Lost Wages" (Las Vegas) and some how or other Don managed to gamble away all his wife won at the gamble spots.

Gee whiz, Don, can't you do anything right? Anybody can lose but you over-did the bit. That must be legal ground for divorce!

## LEGAL NOTICE

### SIERRA MADRE NEWS

### PUBLIC NOTICE

### AUCTION

SATURDAY, JULY 29, 1967

NOTICE IS HEREBY GIVEN that on Saturday, July 29, 1967, the City of Sierra Madre will hold a public sale by auction of property received by the Sierra Madre Police Department. Said auction is to be held at the City Parking Lot located on the west side of the City Hall, 55 West Sierra Madre Boulevard.

The Police Department will consist of bicycles, toys, and other miscellaneous items.

The property will be on display at 8:00 A.M. in the City Parking Lot at 55 West Sierra Madre Boulevard, and the auction will start promptly at 10:00 A.M. on the above date. All items will be sold to the highest bidder. Payment must be made in cash at the time of purchase and all items removed immediately. Publish Sierra Madre News July 13, 1967

Newark, N.Y. is noted for rose nurseries and gardens.

## Rainbow Girls Hold Afternoon Ice Cream Social

The lovely patio and gardens at the home of Miss Martha Tidwell, Worthy Advisor of Arcadia Assembly No. 131, International Order of Rainbow for Girls, was the setting for a gay ice cream social on the Sunday afternoon of June 25.

Mr. and Mrs. William McCallip of Palmdale donated the ice cream for the social and Rainbow Girls baked, decorated and donated their cakes. Highlight of the afternoon was the best decorated cake contest. First prize was won by Miss Linda Janda, 5325 N. Zedell Ave., Temple City; second prize went to Miss Betsy Parkhurst, 154 La Sierra Dr., Arcadia, and honorable mention was given to Miss Laura McFarland, 604 Estrella, Arcadia.

Judging the contest was Mrs. William McCallip of Palmdale, a former resident of Arcadia and a cake decorating teacher for many years.

Other girls who entered the cake decorating contest were: Misses Nancy McFarland, Grand Outer Observer of the State of California; Sheryl Thomas, past Worthy Advisor, Susan Thomas, Cindi Hoffman, Nancy Horn, Sherrie Cubba, Jan Newman, Beverly Fink and Lyle Stickrod.

A fun trip to Chinatown in Los Angeles on Friday, June 30, saw Rainbow Girls tossing coins into the wishing well while they made their wishes, happily wandering in and out of the odd little curio shops and buying gifts and fortune cookies, then laughing at the fortunes in them. After a

## Orthopaedic Hospital To Receive Check

When the annual reports were given by the eight auxiliaries to the Crippled Children's Guild, our Sierra Madre Auxiliary president, Mrs. Edward M. Sevdjian, was very proud to present Orthopaedic Hospital with a check for \$3,400. This was an increase of \$1,400 over last year's contribution, due to the success of their Bal Mystique held in May and the funds realized by their annual bridge tournament.

The bridge tournament came to a conclusion in June with trophy winners of the five evening flights as follows: Jeanne and Harry MacDonough, Nancy and Leo Lehner, Joan and Roy Lindberg, Mildred and Roger Ballou and Gail and Bill Cary. Winners of the women's afternoon flights were Isabelle Newcomer and Shirley Patterson, partners, and Barbara Gibson and Julie Gustafson, partners.

The Ballous were grand prize winners in the duplicate play-off tournament under the direction of Ann Taylor, Mrs. Robert Pendl, chairman of the tournament, presented the Ballous with a desk transistor radio.

Auxiliary members and husbands will have a summer outing on July 22 when they will board a bus bound for Angel Stadium and enjoy a boxed barbecue dinner en route.

snack at one of the stands, the girls returned home footsore and weary to make plans for a family picnic to be held on July 8.

## TAKE YOUR PROBLEMS TO CHURCH THIS WEEK—millions leave them there!

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and read your Bible daily.

1. For his own sake. 2. For his children's sake. 3. For the sake of his community and nation. 4. For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Copyright 1967 Kistner Advertising Service, Inc., Sausalito, Va.

The rose comes very close to man's standard of perfection. Its delicate beauty seems to mock every effort of the artist or camera to capture it. But is the rose really God's masterpiece? Hardly!

For its beauty is passive. It brightens life only for those who seek it out and gaze upon it. And in but a few days it withers and is ugly. God's masterpiece is MAN. For with all his waywardness and selfishness, Man is capable of reflecting the love of God. When he lets God touch his life he is able to bring happiness and faith to others. He doesn't have to wait until he is noticed. He can actively bring spiritual blessings to his fellow men.

As the gardener cultivates the rose, the Church cultivates the lives of men. Always it strives to help us become all that God wants us to be.

With the hope that it will, in some measure, foster and help sustain that which is good in family and community life, this feature is sponsored by the business firms and organizations whose names appear in this space.

## "Everyone's so friendly."

"Whenever I go to Pasadena Federal Savings, the welcome feeling starts at the front door. I know they're all busy people with a lot of accounts to serve. But they always seem to have time to give consideration to my problems. Most of them know my name, and really seem to be interested in me as a person. For instance, the other day an officer took the trouble to explain their various new savings plans—one of which pays a 5.25% dividend—and advised me which was best suited to my needs...at Pasadena Federal they answer your questions so courteously—the way a friend would."

Current annual rate of 5% on passbook savings is highest in U.S.A. A still higher rate of 5 1/4% available on accounts of \$1,000 (and multiples) when maintained 3 years. All funds compounded daily, and, if received by the 10th, earn from the 1st. Accounts now insured to \$15,000. Free parking. Postage paid on save-by-mail.

## Mr. and Mrs. William Waite Celebrate Their 25th Wedding Anniversary

Happiness is a Silver Wedding Anniversary was the theme for a surprise reception for Mr. and Mrs. William Waite Sunday, July 2. Red and Mert Waite, as they are affectionately known by their friends, were honored at the home of their daughter and son-in-law, Mr. and Mrs. David Livingston of 305 Mountain Trail, by more than one hundred friends and relatives. They thought they were going to Hollywood to see a movie with their children. They had planned to stop at the Livingstons' home because Linda wasn't quite ready. But much to their surprise, they were welcomed by an anxiously awaiting group of friends and relatives. Host and hostess of this happy event were their children, Linda Livingston and Mike Waite. They received ample and talented assistance from Dave Livingston, Rose Cook and Arlene Decker. All of them worked feverishly on getting the reception arranged without letting the guests of honor suspect anything. They were certainly successful! A beautiful white and silver, two-tiered wedding cake was centered between the two punch bowls on the main table. On the wall behind was a scroll which read, "Happiness Is a Silver Wedding Anniversary." Among the guests there to honor the Waites were their parents, Mr. and Mrs. John Connaghan of Sierra Madre and Mr. and Mrs. C. B. Waite of Palm Springs enjoyed the delightful charade and reception. Because they thought their parents might be disappointed in missing "Thoroughly Modern Millie," Linda and David put two tickets to the movie in the guest book. Mert Waite lived in Sierra Madre before she was married. She is originally from Minnesota, and Red Waite is originally from Colorado. They moved to Sierra Madre and made their home here after they married. Their two children were born and reared in Sierra Madre. They always have been very active in civic affairs. Red Waite is a past president and member of the Sierra Madre Lions Club. He and his vivacious wife, Mert, are members and past presidents of the Sierra Madre PTA. She also is a swimming instructor at the Sierra Madre Swimming Pool. They eloped to Yuma, Ariz., and were married on June 24. This was the first reception and wedding cake they have had, and it meant a lot to them. Mrs. Waite said she just couldn't believe her eyes when she saw all those people. For the Waites, that's an understatement, "Happiness is a Silver Anniversary."

# "Me, an investor? Don't make me laugh."

Go ahead and laugh. But it's likely you are an investor in the Southern California Edison Co.

Lots of people have purchased modest amounts of Edison stock. We have, altogether, about 145,000 "owners."

Even if you don't think you're an owner, you may be. If you have an insurance policy, or are in a pension plan, for instance. Insurance companies reinvest your savings in securities like ours. So do pension funds.

Southern California Edison is owned entirely by private investors. And being investor-owned, we

have to answer to our customers and stockholders for everything we do. We have to give good service. If we didn't, we'd hear about it from the people we depend on to stay in business.

In short, if you're not happy with the way we do things, we worry. And we do something about it.

Next time you see one of our employees driving down the street or climbing a power pole, smile at him. You may be his boss....

Southern California Edison

### Rev. Hesse To Speak Sunday

In continuing his summer series of sermon presentations on the New Testament Epistle to the Colossians, the Rev. Armin Hesse will speak on "Jointly Raised With Whom?" in the 10 o'clock Sunday morning worship service at Faith Lutheran Church, 845 Hastings Ranch Drive.

Worshippers are encouraged to use their own Bibles or the Bibles in the sanctuary pew racks during the presentation of the pulpit message. The Senior Choir will present Thomas Matthews' arrangement of "The Lord Is My Shepherd."

The Sunday school will meet at 9, together with Bible department studies for the junior high, senior high, and adult age levels. Nursery care is provided during both the Bible Hour and the church service.

At noon on Sunday, the young people will leave to attend the Zone Walther League beach party, to be held at Huntington Beach State Park. Hosting the nine congregation youth event will be the young

people from First Lutheran Church in Temple City. Mr. Donald Hingst also announces the following youth events scheduled next week: the rehearsal of the Youth Choir on Tuesday evening, 7:30 to 9; the Walther League sport and fellowship night on Wednesday at 6:30; and the J-Y sport night on Thursday at 6:30. Choral Director Edgar Plischke will conduct the rehearsal of the church's Senior Choir on Thursday evening at 8.

### Christian Science Sunday Lesson

Preserve me, O God: for in thee do I put my trust . . . Thou wilt show me the path of life.

This verse from Psalms is the Golden Text of this week's Christian Science lesson sermon on "Life."

Andrew Jackson's father died a few days before he was born.

The bloom of the vanilla plant is open only a day or

### Congregational Sunday Sermon

The Rev David G. Howell will have as the subject of his sermon on June 16, "Living With Our Differences." One of the lessons of life that we must learn to be successful in our living is that we have to live with people whether we like it or not.

Rev. Howell's message will portray the lesson that whether we like it or not, our choices are somewhat limited. We can live with people and try to get along with them, or we can live with people and not get along with them. The context of the sermon will be approached by using Jesus' suggestion to pray for our enemies.

Vacation Church School will be held for one week starting July 24. Daily classes from 9 to 11:45 a.m. Continued participation in the weekly prayer meetings, the next to be conducted on July 13 at the home of Mrs. Edward Murphy, 1015 E. Grand View, 10:30 to 11:30 a.m., will further this commendable objective.

### Dr. Ethel Barnhart, Santa Anita Church Minister, Passes Away

Dr. Ethel Barnhart, wife of H. H. Barnhart, D.D.S., of Arcadia, and mother of Barbara and David Barnhart, was born in Wisconsin and educated at the Universities of Montana and Minnesota, passed away July 3. Studying under Dr. Ernest Holmes, founder of the Church of Religious Science, she devoted her entire life to the constant search of discovering the power of the Living God and applying it for the benefit of mankind.

She began her career as Youth and Sunday School Director in the Alhambra Church of Religious Science, and subsequently was ordained as a minister by Dr. Ernest Holmes.

In 1947 Dr. Barnhart conducted a worship service for a small group of people at the Michillinda Women's Club on Rosemead Boulevard; this was the beginning of the Santa Anita Church of Religious Science, later to be known as The Santa Anita Church, as it is today. A short time later the group purchased the proper-

ty at 778 Rosemead Boulevard, built a small church and moved in on Easter, 1950. During the nine years they remained at this location, the membership increased from the original 50 charter members to several hundred.

As the need for more adequate facilities arose, under her inspired leadership and the dedication of all, land was purchased at 226 W. Colorado Boulevard, Arcadia, and the present award-winning edifice was erected which was completed in November, 1959. The buildings now include not only the sanctuary, but also a fellowship hall, chapel, nursery and a fully accredited day school, the first of its kind in the New Thought movement. The school accommodates children from kindergarten through the eighth grade and had an enrollment of 100 children in the semester just completed. The Mae Carden system of teaching has been used, incorporated with a spiritual training in the awareness of God.

During the years of her ministry, Dr. Ethel Barnhart has served faithfully and dynamically in her many activities: counseling, preaching, teaching and supervising the day school, her inspiring voice and philosophy has reached thousands of people through the 24-hour Dial for Prayer conducted by the church for the past several years, which consisted of her prayers and meditations. Her voice also was heard for some time over a night program from a Pasadena radio station. She has actively participated as a leader in various cities at the International New Thought Alliance Conferences and has been in constant demand as a teacher by various organizations in this community.

In her personal life, Dr. Barnhart embodied all that she taught. The tremendous faith which she exemplified in her own life has been a source of great inspiration and courage to her congregation and her many devoted followers.

The church that she so lovingly nurtured and ministered stands as a monument to the memory of Dr. Ethel Barnhart and her spiritual contribution to mankind.

### Santa Anita Church Topic

"Chemistry of Christ" will be the subject of Walter Starcke's topic at the 11 a.m. worship service, July 16, at the Santa Anita Church, 226 W. Colorado Boulevard, Arcadia. The public is invited. Child care is provided for your convenience.

After a sermonette especially for them, children from kindergarten through eighth grade, go to their junior church graded classes for spiritual education. High school youth attend the Sunday morning service and have their evening meetings the first and third Sundays of the month at 7:30 p.m.

Applications are now being accepted for the 1967-68 school year at the Santa Anita Church Day School. The school has used Mae Carden's Method of Learning and Comprehension for

### Letters to the Editor

Dear Editor:

In your July 6th edition, Frances King gave a front-page "thank you" to some of those who helped to make the July 4th Celebration a success. Many were named but a few were omitted, and in my opinion, if some were to be named, all should have been.

Conspicuous by their absence were the names of the following: Mr. Ed Wagner, who got all the material for the obstacle course races and set it up; Mr. Justo Caffi of the Foothill TV Cable Co. who loaned the races for the entire day; Mrs. Alice Dunning, who helped to conduct the games all the afternoon, after first being with her Girl Scouts during the parade; and Mr.

Tom Van Achthoven, who first helped his Boy Scout Troop in the Parade and then, from 10:00 a.m. to 5:30 p.m., conducted the games and races for all the children.

I think a public "thank you" to these people, who worked very hard most of the day and, in the case of my husband, without even stopping for lunch, would have made them feel better than the thunderous silence from Mrs. King.

—Mrs. A. J. Van Achthoven

EDITOR'S NOTE: I imagine that Frances King will be just as unhappy as yourself that your husband was not mentioned. That has always been my objection to "thank you" mentioning specifics. I wouldn't doubt but that a hundred or more could have been mentioned, and still someone be left out. Until we hear from Mrs. King later, I will say "sorry" your husband, the hundreds of other husbands and wives, children, business and clubs were not mentioned, and here given a tremendous "Thank you" for a job well done. I wonder who thanked Frances King for the many hours she spent in pre-planning.

the past three years with remarkable results. If you are interested in enrolling your child, or wish to know more about the school, please call the administration office at 446-8206.

There is a time for special prayer requests at the 11 a.m. meeting for all women on Thursday, July 13. All are invited to attend.

John Morley will speak on July 13 at 8 p.m. and all are invited to attend and hear this exceptionally fine speaker.

"Call 447-6162 to receive a blessing" is the invitation of the church.

The few churches still operating in Russia are restricted.

## Cheryl Susan Palmer Exchanges Vows With Donald Frank Dammeyer

Bouquets of white flowers and candelabra banked the altar at the First Baptist Church of Pasadena June 17, when Cheryl Susan Palmer exchanged nuptial vows with Donald Frank Dammeyer. Dr. Charles R. Bell Jr. performed the double ring ceremony.

Cheryl Susan is the daughter of Mr. and Mrs. Verne A. Palmer of Pasadena. She graduated from Pasadena High School and attended Pasadena City College.

Donald Frank is the son of Mr. and Mrs. T. Edward Dammeyer of 705 Edgeview Drive, Sierra Madre. He is a native of Sierra Madre. He attended and graduated from Pasadena High School and Pasadena City College. Don is presently attending the University of California at Los Angeles.

Escorted by her father, the bride walked down an aisle lined with candles and pew bows in an A-line organza gown, an illusion effect with seed pearls re-embroidered on the bodice and sides, and accented with kabuki sleeves. The train, attached at the waist, was heart-shaped and cathedral length. A French illusion veil began with a small tiara with seed pearls and crystals. Cheryl carried a bouquet of carnations with an orchid.

Matron of honor was the bride's sister, Mrs. Harold Shively. The bridesmaids were Mrs. Richard Jennings, sister of the bride; Mrs. John Kemper, sister of the bride; Mrs. Donald Ristinger, Mrs. Michael Nickerson and Miss Pamela Dalby.

They were gowned in floor length rose chiffon over taffeta and accented with satin paneling. Each carried arm bouquets of pink carnations.

Mrs. Russell Buccola and Miss Patricia Wegener, the candle lighters, wore floor length gowns with pale pink chiffon over taffeta also.

Flower girls, Kathy and Debra Dammeyer, nieces of the bridegroom, wore floor length gowns in pale pink chiffon over taffeta and carried baskets of red rose petals.

Shane Kemper, nephew of the bridegroom, was ring bearer.

Michael Nickerson was the best man. The ushers were Theodore E. Dammeyer II, brother of the bridegroom; John Kemper, brother-in-law of the bridegroom; John Gauding, Russell Pooler and Michael Nichols.

The mother of the bride chose a pale blue linen sheath with a dress length lace jacket, matching accessories and an orchid corsage.

The mother of the bridegroom wore a pale yellow dress with fagoting on the sleeves and matching jacket trimmed on the bottom with fagoting, with matching accessories and an orchid corsage.

Following a reception at the church, a second reception was held at the home of the bride's parents for the family and the bridal party. Former Sierra Madreans, and relatives of the bridegroom came from many far

places to attend the wedding. Mrs. Arthur Draeger, the bridegroom's aunt, flew over from Hawaii. Mrs. Ralph Kuiper, another of the bridegroom's aunts, along with her daughter, Jennifer, came from Stanford. Mr. and Mrs. Richard Draeger, the bridegroom's aunt and uncle, and their sons, Russel, Dan and Ricky, arrived from San Jose. The Frank Liches, uncle of the bridegroom, came from Quartz Hill with their daughter, Connie, and son, Frank Jr.

The couple plan a short honeymoon in Palm Springs. In August, when Don has completed his summer school at UCLA, they plan to continue their honeymoon. They will sail to Hawaii on the Lurline to spend two weeks.

## G.T. And CWT To Merge In 60 Days

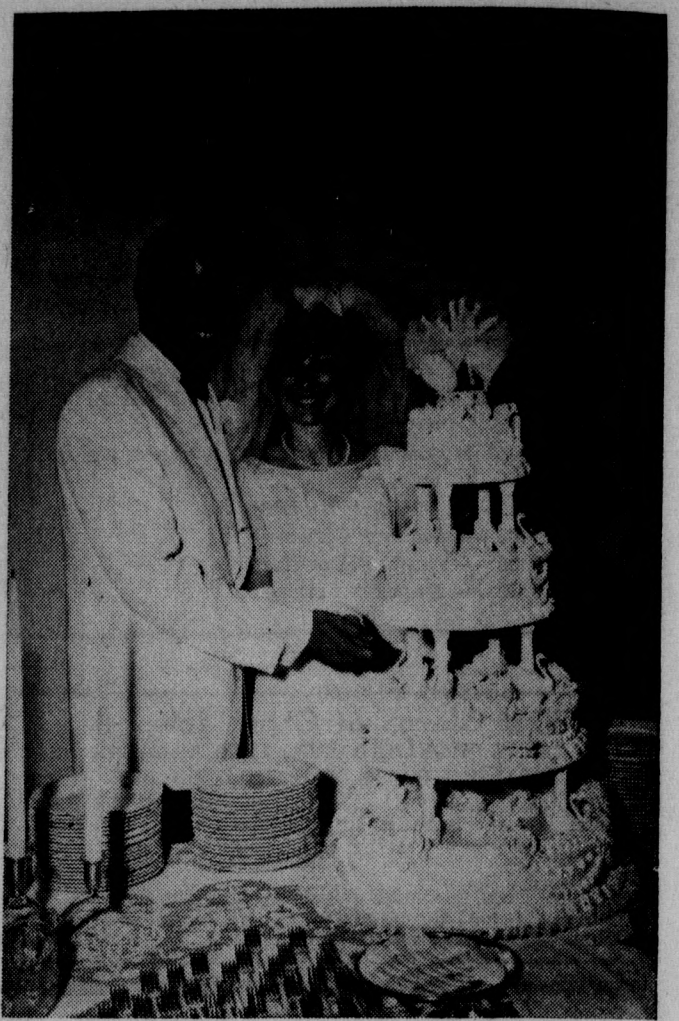

Authority has been granted by the Public Utilities Commission for the merger of California Water and Telephone Company into General Telephone Company of California. The merger of the two utilities will become effective within the next 60 days, according to R. Parker Sullivan, president of General Telephone and Electronics' California based subsidiary.

California Water and Telephone became a subsidiary of General Telephone and Electronics Corporation in 1964. The pending acquisition by GT&E's California subsidiary will add over 300,000 telephones to General's 1.8 million, and will bring the number of employees now working for General Telephone Company of California to 19,200.

Over 5,000 square miles will have been added to the larger utility's serving area after the merger.

The merger of the two companies will increase GT&E's plant investment from \$1 billion-plus to \$1,169,000,000, said Sullivan.

When the Acadians moved into Louisiana from Canada, they settled at what is now New Iberia. They were made famous by Henry Wadsworth Longfellow's Evangeline.

MR. AND MRS. DONALD FRANK DAMMEYER  
... Cheryl Susan Palmer

## Summer Golf At Eaton Canyon

The Eaton Canyon Women's Golf Club has started the summer schedule of 9 holes each week with one 18-hole play day each month. A "Speck Tournament" was held last Tuesday, the losing team presenting the winners of each foursome with a new ball each. Gloria Keough was low putter with 13 putts.

Loss gross honors: Ruth Dunning, 40, and a tie with June Eastman, 42, and Nicky Riordan, 42.

More than 100,000 women volunteered for the WAC's in World War II. Today there are about 10,000 in service.

Olive oil production has declined in Libya to the point it is now necessary to import it.

## Senior Citizens Have July Picnic

On Saturday, July 1, the Senior Citizens' Club of Sierra Madre held its annual July picnic in the lovely gardens at the home of Betsy Stevens.

This also was the occasion for the monthly celebration of June birthdays.

At a charmingly decorated birthday table, Frances Gardner, Amy Bersel, Millie Freisinger, Bessie Irvin and James Bryant were seated as guests of honor.

Ann Ridgway and Eva Jones were in charge of the menu, and many mouth-watering dishes were enjoyed by the 46 members.

In keeping with the holiday season, Ann Ridgway had decorated the tables with miniature flags and summer flowers.

As there was no official meeting scheduled for the day, the afternoon was spent in visiting.

## John Muir High School

### Adults Can Now Earn Their Hi School Diploma At Nite

John Muir High School, 1905 Lincoln Avenue, Pasadena, will open its doors for registration for high school credit students on Monday, August 21, from 6:30 to 9:30 in the evening, and registration will continue every evening, Monday through Thursday, until September 21. Adults interested in high school credit courses may register at that time.

Adults who have been unable to finish their high school education can now do so at night. The Educational Services Division of Pasadena City College has developed a specific program at John Muir High School to provide courses for adults which, when completed will meet the requirements for a high school diploma. Required subjects include English, mathematics, U.S. Government, contemporary American problems, U.S. history, and science. A wide range of academic

electives and vocational courses is also available.

This program, started in the fall term of 1963, is being continued, and a counselor is available to those students needing help in selecting courses. After a transcript of past schooling is obtained, a course of study, including the required courses and electives, is outlined. Adult students can also receive high school credit for work achievement having educational value, for correspondence courses, basic military training, and courses completed during military service.

In addition to the high school credit courses, Continuing Education courses without credit also offered by the Educational Services Division at both Muir and Pasadena High Schools include such areas as business machines, shorthand, typing, leadership training, driver education, lip-reading, arts, crafts, music, shop courses such as wood-working, electronics, machine shop, and auto shop. Many foreign languages are also offered.

Those interested in additional information may contact the Educational Services Division office at Pasadena City College, 795-5951, Extension 261, from 8 a.m. to 10 p.m. Monday through Thursday, and 8 a.m. to 4:30 p.m. on Friday. Brochures are available upon request. There is no tuition charge for these classes, but students are expected to furnish their own books and supplies.

Topeka is the capital of Kansas.

### Police Officials Present the Truth About LSD and Possible Side Effects On Users

This is part of a continuing series on LSD. It is taken from Sierra Madre Police Training Manual and was prepared by Los Angeles Police Dept.

#### Part VI

#### How Can LSD Be Obtained?

All legitimate manufacturers of LSD have terminated production. With the cessation of legitimate production, illegal bathtub chemists have attempted to fill the needs of the illicit market.

Home manufacturers can synthesize LSD from lysergic acid amide with relatively crude equipment and a fairly good knowledge of chemistry. The yield of LSD from the lysergic acid base is generally quite low and the product impure. The more sophisticated clandestine producer can achieve better yields when a trained chemist uses suitable equipment and facilities. (13)

#### Is LSD Illegal?

LSD is classified as a dangerous drug and its use is governed by the restrictions contained in Sections 11910 through 11913 of the California Health and Safety Code. Most offenses involving LSD are felonies, although mere possession in small quantities is a misdemeanor.

Federal Law is similar to California Law and violations are processed by the Bureau of Drug Abuse Control in the Food and Drug Administration.

LSD is considered an investigational agent and can be handled only under the most carefully controlled

Washington Irving's father was a cutlery dealer in New York.

The few churches still operating in Russia are restricted.

Andrew Jackson's father died a few days before he was born.

The bloom of the vanilla plant is open only a day or so.

conditions. It cannot be prescribed as medication. (11)

#### Have Many LSD Experiences Been Documented?

The following cases have been summarized from reports related in the press, in police investigations, and by researchers.

I had a compulsive urge to do violence to my children and I do not know to this day how great the gap was between the violent thoughts in my mind and their possible execution.

The writer continued that as a single consequence of LSD-25 he spent several days in bed, either babbling or crying, or limp and apathetic, for some weeks afterward he was subject to horrid involuntary hallucinations, and for some months was dependent on sleeping pills for rest at night. (10)

A 17 year old juvenile from the West Los Angeles area ended up on the beach at Venice after indulging in the use of LSD at an "acid party." This youngster was observed by citizens to be walking on the ocean front banging his head in the sand. It took several citizens to restrain and hold him while another summoned an ambulance and the police. He was hospitalized and subsequently interviewed. He did this because this was the urge he felt within him. He said something compelled him to bang his head and then try to bury it in the sand.

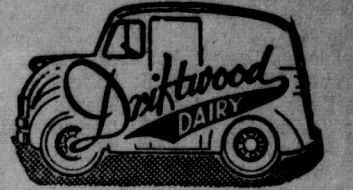

He further stated that approximately a half-hour after he had ingested LSD, he felt wonderful. The feeling was beautiful, a euphoric feeling that would be impossible for him to describe. Colors appeared everywhere. Music could be seen coming from the stereo and the air was covered with colored dust particles that would fall in prisms of a rainbow. He would run his hands through the dust particles and leave a rainbow trail.

He then would make all sorts of designs from these trails just from the movement of his hands (figure

eights, etc.) The euphoric feeling of well being then suddenly changed to horrifying, grotesque visions. He felt the urge to leave this party and go to the beach. Soon after he left, he felt this compulsion to hit his head against the buildings and to bury his head in the sand. The boy's head and face were covered with abrasions and contusions as a result of his ingesting LSD.

Jon Delman of the  
Tigers hit two homers in the  
game against the Twins but  
they weren't enough to over-  
come the league leading  
Twins in their 10-8 win.

### Tax Relief Situation 'Pressing'

California's counties are  
in a "fiscal straight jacket,"  
the general manager of the  
County Supervisors Association  
of California told the  
Board of Supervisors recently.

William MacDougall of  
Sacramento told the board  
that the taxpayers' relief  
situation is "pressing" and  
progress "discouraging."

Supervisor Warren Dorn,  
a vice president of CSAC, under-  
scored the seriousness of  
the problem by declaring  
that "the county is merely  
an arm of the state."

"For 10 years we have  
been trying to broaden our  
tax base to relieve the prop-  
erty owner by gaining state  
authorization to increase  
the sales tax and inaugu-  
rate a business license tax  
and deed stamp tax," said  
Dorn.

He added that if the 17,  
000 persons who had ap-  
pealed their assessments  
had directed their attention  
to the State Legislature,  
which has the authority to  
allow counties to adopt  
sales taxes, "it would have  
helped the county's drive for  
property tax relief."

### Bank of America Gives Report

Bank of America's mid-  
year consolidated figures  
reflected continued strength  
in net operating earnings  
through the second quarter.

Earnings for the first six  
months amounted to \$59,  
437,000 or \$2.09 per share on  
the 28,480,000 shares out-  
standing, as compared with  
\$53,972,999 or \$1.90 per share  
during the same period last  
year—an increase of 10.1%.

Other consolidated oper-  
ating results were reported  
as follows:  
Total deposits stood at  
\$18,201,670,000 as against  
\$16,756,449,999 a year ago.  
Loans totaled \$11,528,678,  
000 compared with \$11,187,  
743,000 last June.

### Now's The Time For Low Rates

## California Federal Gives Pointers For Borrowers

Will the lower passbook savings rates which went into  
effect at California savings associations July 1 result in  
a further drop in home mortgage rates here?

Not according to Howard  
Edgerton, chairman of the  
board of California Federal  
Savings and Loan Association.

"On the contrary," Edg-  
erton said, "there is reason to  
believe that mortgage rates  
and terms will tighten con-  
siderably later this year."

Mortgage rates at the first  
of the year were in the area  
of 6 1/2 per cent. Then, due  
to the very strong savings  
inflow, rates dropped half  
per cent to about 6 per  
cent. In the past few weeks  
rates have firmed to an  
average of 6 1/2 per cent.  
Now, with lower dividend  
rates, the savings inflow  
can be expected to slow  
considerably. This will like-  
ly bring additional increase  
in mortgage rates in the  
fall and winter.

Other lenders are affected  
also. Long-term bond yield  
have declined only slightly  
since the credit squeeze of  
last summer. These yields  
are rising again and are di-  
verting funds from the  
mortgage market to the  
bond market.

With a high probability  
of a large Federal deficit  
for the fiscal year begin-  
ning July 1, there is a good  
chance that inflationary  
pressures will force short-  
term rates up again, further  
dampening the flow of sav-  
ings to mortgage lenders.

"Most qualified home  
buyers who want the  
money in the next 30 days  
can get loans at significant-  
ly better rates and term  
than prevailed when money  
tightened so dramatically in  
the late summer of 1966.  
The message for South  
land families thinking of  
financing a home purchase  
the California Federal chair-  
man suggested, is crystal  
clear.

### Water Rates Up

rate increase to the regula-  
reading of the meters or  
September 10 and if so the  
first increase that the tax  
payers and users would be  
subjected to would be the  
billion of November.

The new water rate is an  
increase of 37 1/2 per cent or  
all billing with the lowest  
minimum now being billed  
will be \$3.75 for 5/8 and 3/  
inch meters using 600 feet  
or less, with all other me-  
ters in size upgraded to  
minimum to 37 1/2 per cent  
higher. Fire plug meters of  
detected-check meters will  
also be upgraded.

The complete legal publi-  
cation will be printed in the  
next issue of the Sierra  
Madre News.

### New Commander In Glendale Office of CHP

Commander of the new  
Glendale office of the Cali-  
fornia Highway Patrol, Capt.  
Delbert W. Parker, 51, has  
spent most of his career in  
the Los Angeles area, in-  
cluding two years as Com-  
mander of the La Canada  
Substation now being closed.

He began as a traffic of-  
ficer assigned to Los Ange-  
les in 1942, and stayed in  
the area for 17 years. Parker  
was promoted to sergeant  
during this period.

In 1959, he was promoted  
to lieutenant and transfer-  
red to the Highway Patrol  
Substation at Quincy in  
northern California. How-  
ever, he was back in south-  
ern California within four  
months when he was as-  
signed to the Victorville  
Substation. By the middle  
of 1960 he had moved to the  
Highway Patrol's East Los  
Angeles Area office.

Parker became officer in  
charge of the La Canada  
Substation in early 1964  
and was moved to Norwalk  
office in 1966. A few months  
later he was promoted to  
captain and became acting  
Commander at that office.  
He was detached from Nor-  
walk in June of this year to  
participate in final planning  
for the Glendale office.

### ALA Installation Of New Officers

Mrs. Frances H. Miller, 18  
Vista Circle Dr., was in-  
stalled as president of the  
American Legion Auxiliary,  
Unit 470, Monday evening,  
July 10, at the Altadena  
American Legion Clubhouse.  
Mrs. Ethel Rowland, past  
president, was the installing  
officer, assisted by Mrs.  
Ethel Hughes and Mrs. Dor-  
othy Brockelmann. Past  
18th District presidents, mu-  
sicians were Margaret I.  
Jewett and Marilyn Gage.

Mrs. Miller has been a  
member of Unit 470 28  
years, serving in various  
offices. She is also very ac-  
tive in the Daughter of Uni-  
on Veterans of the Civil  
War, being a past president  
of Lucretia Garfield Tent 19,  
president of Southern Cali-  
fornia Federation and a De-  
partment officer.

#### Assessments

Watson said the additional assessed value represents an eight-cent reduction in the County's predicted 14.6-cent tax rate increase. However, he added, this does not mean any budget reduction — it merely means that because the assessment roll is up, the same amount of money can be collected with a lower rate.

"I hope people will not be deceived when the taxing districts start playing the tax rate games," Watson said. "Budgets are up all over. Regardless of the tax rate, people are going to be paying higher taxes unless budgets are reduced, or at least kept at last year's level."

Sierra Madre's Assessed Valuation, exclusive of Public Utility Valuations and before equalization is \$21,851.95. This is an increase over last year of \$658,850 or about 3.1 per cent as compared to the county increase of 7.71 per cent.

#### Funeral Services Conducted For Henry A. Roefer

Mr. Henry Albert Roefer passed away at the age of 83 years in the La Vina Sanatorium and Hospital after a lengthy illness. The day was July 8.

A resident of 585 Sierra Madre Blvd., Mr. Roefer was originally from Illinois. He moved to Sierra Madre 13 years ago.

Among those left to mourn his passing are his wife, Mrs. Bessie B. Roefer of Sierra Madre; his daughter, Mrs. William Haude of Long Island, N.Y.; his son, Mr. Martin A. Roefer of Chicago, Ill.; his sister, Mrs. Art Norberg of Evanston, Ill., and ten grandchildren.

Funeral services were held at Ripple Mortuary Chapel on Tuesday, July 11, at 11 a.m. Dr. Robert N. Schaper officiated.

Ripple Mortuary made the final arrangements. The interment was in Elm Lawn Cemetery, Elmhurst, Ill.

#### LA State College Yearbook Dedicated To H. Bonar Jr.

Professor Hugh Samuel Bonar, Jr., of 533 Sturtevant Drive, was very highly honored this past year at Los Angeles State College where he teaches history. He was one of the two professors who were co-recipients of the 1967 yearbook dedication.

He was awarded the honor for his thirteen years of service to the school and his devotion to his profession. At the top of the list of his contributions to LA State is the Bonar Film Festival. For eight years the school has enjoyed various films from all over the world that he selects and shows at the campus theatre.

Mrs. Bonar was a senior at LA State this year. She graduated with honors and received a bachelor of arts degree in English. Two weeks later she presented her husband with their first child, Hugh Samuel Bonar, III, was born in Kaiser Foundation in L.A., on June

30, at 11:51 a.m. He weighed 8 pounds and 15 ounces and was 21½ inches in length. Mrs. Bonar says he arrived at just the right time. She finished her last final on June 14 and this gave her time to graduate and have a little rest.

Penny Bonar is a native of Sierra Madre. She is the daughter of Mr. and Mrs. Robert C. Lyon of 170 Coburn.

Professor Bonar moved to Sierra Madre four years ago and met his wife while they were neighbors. He was teaching at LA State and she was working.

He plans to continue teaching and she plans to teach later. Right now she wants to be home with her husband and new baby.

#### Highway Patrol Office Open In Glendale July 15

California Highway Patrol Commissioner Harold W. Sullivan recently announced the activation of a California Highway Patrol Area Office at Glendale beginning Saturday, July 15.

The new office at 6801 S. San Fernando Blvd., will be commanded by Captain D. W. Parker. It will assume responsibility for all the roadway now patrolled by officers from the Baldwin Park office substation at La Canada, and some of the freeway sections currently patrolled by officers from the Newhall office and the main Baldwin Park office.

The La Canada Substation will be permanently closed at the close of business on Friday, July 14, after ten years service, according to Sullivan. The roadways patrolled from this office included those in the unincorporated portions of the

foothill communities at the base of the San Gabriel Mountains bounded by Glendale, Los Angeles and Pasadena, all of the Angeles Crest Highway, and the Angeles Forest roadways.

All this responsibility, plus 4.87 miles of the Golden State Freeway and a 1.67 mile section of the Ventura Freeway now patrolled from Newhall, and a portion of the Pasadena Freeway currently patrolled from the office at Baldwin Park, will be assumed by the new Glendale office.

Captain Parker will have 28 traffic officers and command personnel under his direction when the new office opens, including all those at La Canada, seven from the Newhall office, and two from Baldwin Park, and will add five more by the end of July. This uniformed force will be supported at Glendale by four civilian employees: an automotive service man, two clerical positions and a janitorial position.

Parker said an open house at the new facility will be held at a later time, possibly during August.

#### Special Citation

The Sierra Madre Woman's Club received a Special Citation from the American Cancer Society. This was given in appreciation for the use of the Clubhouse for their money-raising Fashion Show last spring.

The Columbia River begins in Canada.

#### SPORTS AS Hank Ives SEES IT

#### SPORTS SMORGASBOARD

Jerry Proctor failed to distinguish himself last Sunday at the Coliseum. His 25 and change jump was good for only a fifth place finish. HOWEVER, young Jerry was in fabulous company, by far the toughest of his short career. The experience gleaned by competing with Ralph Boston, Alan Crawley, Bob Beamon and Lynn Davies in the star-studded long jump event, should go a long way toward building Jerry into an Olympic competitor.

THE WEEKEND track spectacular ended cinder activities locally for the year. The two day crowd of 45,000 was a bit disappointing and indicates that probably there is just a certain amount of interest in track and field in this area.

HAVINGSPEENT the better part of last week associating with both the U.S. and British Commonwealth athletes, I would be quick to say that this was a terrific group of men and women amateur athletes. They were all friendly, cooperative, easy to get along with and fine athletes.

OLD HANKUS had the opportunity of interviewing each one of the Kenyan ath-

letes that were here. Kip Keino is fabulous, Naftali Temu, one of the great 10,000 meter runners of our time, Dan Rudisha is an up-and-coming young 220 star, but my favorite guy was Wilson Kiprugut. Wilson, who was a star for the Kenyans in the 1964 Olympics, always wore an engaging smile, would chat with reporters by the hour about his native land, and then pushed Wade Bell to a brilliant 800 meter mark in the competition.

ODDS AND ENDS . . . One of the climaxes to the local soccer season will be a return of the great Eusebio and his Benfica team from Portugal against a team from South America sometime in August. This will be an exhibition match but should be a good draw. Eusebio is really something to watch.

ANOTHER SPORT on the future calendar is the 1967 Rose Bowl Rodeo. This event was held on May 8 last year and unfortunately it rained that day. In fact that was the only day over a two-month period of time that it rained. This rodeo will probably be slated for Saturday night, August 26 and Sunday afternoon, August 27 at 4 p.m. That is the tentative plan at any rate.

ARE THE CUBS FOR REAL? Off hand my guess is that Durocher's lads will falter in the summer Chicago heat. In fact it may already be starting. You have to hand it to the Cubbies for staying near the top this long.

WHAT ABOUT THE DODGERS? They have found their level just above Houston and the Mets. Actually Hankus picked Walt Alston's crew to finish seventh this year. For heaven's sake, don't start any "fire Alston" chants. He should have won the all-time managerial award for getting the Dodgers into last year's world series.

IN ANGEL TOWN IT IS something else. The Rigney's have torrid momentum, but will it last? What they have done has been without the help of Fred Newman who figured highly in the pitching plans. Betcha Fred Haney would still make the swap of Chance for Mincher, Hall and Cimino if he had it to do all over again.

LAST YEAR AT THIS TIME . . . The Soviets announced they were pulling out of the International track meet . . . Jack Nicklaus added the British Open title to his collection . . . David Pearson won the stock car grand national championship . . . Ken Rosewall won the Casino Professional Tennis Tourney at Newport, R.I. . . . Ron Clarke shattered the world 5,000 meter mark in Stockholm with a 13:16.6 clocking . . . West swamped the East 24-7 in the coaches All-Star game behind Randy Johnson's great passing . . . Marcelino Lopez stopped Brooks Robinson's 17-game hitting streak and Boog Powell drove in 11 runs in one game.

#### Youth Mass

of the Passionist Monastery in Sierra Madre at 4:30 p.m., July 16.

This is the first of a series of Youth Masses which this fall will be planned on a monthly basis with the cooperation of St. Rita's Parish Confraternity of Christian Doctrine. The services will be narrated so as to provide those not familiar with Catholic beliefs an opportunity to comprehend this highest service of Catholic worship.

## Calif. Water &amp; Telephone Announce

United State Top Nation;  
More Phones Per Capita

In the race to out perform all other nations with the most of everything, the United States also leads the world in the greatest number of telephones and the largest per cent of telephones per capita, according to local California Water and Telephone Company division manager, Henry Schulz.

Among the nations having over 500,000 telephones, the United States has over 48 telephones for every 100 people. The lowest ratio is in India where there are less than two-tenths of one telephone per 100 persons. There are over 100 million telephones in the U.S., of which the General Telephone system serves over 8 million.

The communist countries, with whom we are so busy comparing ourselves these days, are sadly lagging behind the U.S. in telephones per capita. For instance, in the USSR there are only 34 telephones available to every 100 persons living in Russia. In Czechoslovakia there are only 10.5; in East Germany, 9.7; in Poland there are only 4.1 telephones per 100 residents.

Locally, the per capita ratio for the Los Angeles is considerably above the national average with 59.6 telephones per hundred persons living in the greater Los Angeles area, said the division manager.

The local area's growth pattern has surpassed the national level for several years, and the local growth has been phenomenal. Ten

years ago, 1957, the total number of telephones served in the Monrovia division barely reached 29,000, but today the number exceeds 48,000. This increase represents 60 per cent growth.

Along with the number of telephones increasing at a phenomenal rate is the telephone company's increasing rate of investment. In 1957, California Water and Telephone valued the properties it serves in Monrovia, Duarte, and Sierra Madre at over \$12.5 million. Today that same investment for land, buildings, and "plant" such as cable, telephone poles, instruments, right-of-way easements, and dial office equipment has reached \$25 million. An increase of 50 per cent, according to the local manager.

Karen A. Casey  
Betrothed To  
Bruce Gallant Jr.

Mr. and Mrs. Clark T. Casey of 340 E. San Gabriel Court announced the engagement of their daughter, Karen Aleeta to Mr. Bruce Allister Gallant, Jr.

Karen Aleeta has been a resident of Sierra Madre for 12 years. She attended and graduated from Sierra Madre Elementary School, Marshall Junior High, and Pasadena High School. She received her associate of arts degree from Pasadena City College this past June.

Bruce is the son of Mr. and Mrs. Gallant, Sr., of 3170 E. Orange Grove, Pasadena. He attended and graduated from Wilson Junior High and Pasadena High. He received his associate of arts degree in 1967 also.

He is presently serving as Electrical Technician Third Class in the United States Navy. He served in the reserves for three years and will stay active for the next two years of duty. He is presently stationed in Long Beach.

The couple hasn't set a wedding date.

I'll tell you I'm just all in a big fat mess. Here we are in July and all of the sales are going on full blast. There is just something about a sale that sets me tingling and I become a compulsive buyer without half trying. Doesn't make one bit of difference what the item is, if it's on sale I am interested and have to force myself not to buy or I'll end up with another closet full of things that I meant to diet down to, or gain weight for, either one so that it would be just perfect.

Household items hold a particular attraction for me. At one time I was the proud owner of three food choppers, all identical, but they were such a bargain, and you never know when they are going to wear out or when the manufacturer will stop producing them. Can't tell you how many sets of fruit dishes are now crowding my cupboards and what do I use? Custard cups and they never match. Service dishes draw me like a magnet. I have almost as many service dishes as I do plates.

Even have a huge rooster on a nest and let me tell you that one is a real problem to store, and when you get right down to it, just how many times do you

serve four quarts of chicken stew or soup. In our house not many, but you just never know when you might want to and in that event I am well prepared.

Well, the reason I'm such a big fat mess is that I am really going to resist the sales. The children are helping me by cutting all of the ads out of the paper before I read it. It makes it a little difficult to hold the paper and most of the time I end up not knowing how the story came out, but I am being strong and I'm so proud of myself.

Now, if I can avoid the magazine salesmen and the door to door vendors I may save enuf money to catch all of the August clearances . . . I hope, I hope, I hope! (Sorry about that Bob!)

It is getting pretty hard to think up new party ideas with all the clever people on the hill.

The last party was a joint affair by the Jack Bakers, the Warren Bacons, the Joe Cummins, the Phil Shepherds, and the John Hedricks.

It was called a "Summer Sidewinder for the Forty Niners." All of the gentlemen have found a way to whip the chronological age problem.

We were beckoned for "Guzzlin' and Eatin' at Shepherd's Notch" and then "Traillin' Down Skunk Hollow to Bacon's Dance Hall" for "Sashayin' to the music of Corey's Cahootin' Combo."

The entire theme of the party was carried out in western style with round tables and checked gingham cloths. The chow was served from a huge buffet table set up in the garden. The guests came in informal attire for climbin' up and down the trail between the two homes.

Those invited were Mr. and Mrs. Ray Anderson, Mr. and Mrs. Edward Barnes, Mr. and Mrs. William Caldecott, Mr. and Mrs. Charles Dav, Mr. and Mrs. Blair Hyde, Mr. and Mrs. Gordon Hyde, Mr. and Mrs. John Horne, Mr. and Mrs. William Lansill, Mr. and Mrs. Arthur Mann, Mr. and Mrs. Harold Sweet, Mr. and Mrs. Jennings David, Mr. and Mrs. Edward Specht, Mr. and Mrs. Robert Stiver, Mr. and Mrs. Budge Collins, and Mrs. Tresa Sanders.

Also bidden were Mrs. Marge Bandy, Mr. and Mrs. Harrison Baker, Mr. and Mrs. Kenneth Christianson, Mr. and Mrs. George Fry, Mr. and Mrs. Charles Goldsworthy, Mr. and Mrs. Dominic Giangregorio, Mr. and Mrs. Forrest Paxson, Mr. and Mrs. Marshall Harris, Mr. and Mrs. Charles Hardison, Mr. and Mrs. John Roberts, and Dr. and Mrs. Robert Mueller.

The list continues with Mr. and Mrs. Gene Rode, Mr. and Mrs. James Smith, Mr. and Mrs. David Zinsmeyer, Mr. and Mrs. Robert Hunt, Mr. and Mrs. Howard Morgridge, Mr. and Mrs. Gordon Wright, Mr. and Mrs. Robert Farmer, Mr. and Mrs. Henry Smith, Mr. and Mrs. John Reed, Mr. and Mrs. James White, Mr. and Mrs. Peter Hurtig, Mr. and Mrs. Dewain Butler, Mr. and Mrs. Lloyd Erleban, Mr. and Mrs. Harold Fraser, Mr. and Mrs. Robert Munro, Mr. and Mrs. Donal Nourse, Mr. and Mrs. Roe Powell, Mr. and Mrs. Robert Quenell, Mr. and Mrs. Joseph Tudor, Mr. and Mrs. William Nash, Mr. and Mrs. Jack Podlech.

Also Mr. and Mrs. Wil Hall, Mr. and Mrs. William Olson, Mr. and Mrs. William Kinand, Mr. and Mrs. Lou Lawrence, Mr. and Mrs. Lloyd Clark, Mr. and Mrs. Will Bixby, Mr. and Mrs. Don Frances, Mr. and Mrs. Andy Ong, Mr. and Mrs. Mel Knoll, Mr. and Mrs. Don Hays, Mr. and Mrs. Ernest Maurin, Mr. and Mrs. Brewster Benedict, Mrs. Allice Kuhn, Mr. and Mrs. Fred McBrien, Mr. and Mrs. Allan Knickrehm, Mr. and

Evening Under  
The Stars For  
Saturday, July 15

A western-style Bar BQ and trip to the Hollywood Bowl will enrich the scope of activities for the Sierra Madre-Arcadia Newcomers during July.

Plans have been expanded to accommodate more than 80 couples at a rousing Bar BQ on Saturday, July 15. This first summer activity for couple members will be at the home of Mrs. E. C. Ferguson, 354 Harvard Drive, Arcadia. The western motif will give special atmosphere to the catered dinner beginning with a social hour at 6:30 p.m. The program will include music and dancing, punctuated by mixer games.

Committee members planning the details are Mrs. Joseph Balunco, 76 W. Naomi, Mrs. E. C. Ferguson, Mrs. William Mackie, 11311 LaRosa, Mrs. Cliff Riley, 557 W. Foothill, Mrs. James Regan, 260 W. LasFlores, and Mrs. Charles Schwellenbach, 1727 Highland Oaks Drive, in Arcadia.

An evening under the stars will form a perfect backdrop for the group of Newcomers who will attend the Gershwin Night at the Hollywood Bowl on Saturday, July 29. Mrs. Henry Vincent, 339 Hacienda Drive, Arcadia, is handling arrangements for the couples who will travel to the Bowl by special bus, enjoy a picnic supper together, and then hear the Gershwin program presented by Skitch Henderson and his orchestra, featuring guest soloist Sara Vaughn.

Farm prices reached such lows in 1933 that they caused Congress to pass the Agricultural Adjustment Act which sought to raise prices and increase farm purchasing power with acreage controls and voluntary marketing agreements.

Birds will eat seeds from wild morning glories.

Mr. Anthony Boland, Mr. and Mrs. Robert Barry, Mr. and Mrs. Everett Mangam, Mr. and Mrs. Al Dunn, Mr. and Mrs. Richard Fowler, and Mr. and Mrs. Francis Howells.

An  
APOTHECARY  
Weights & Measures

Yesterday and Today

We recently observed the fortieth anniversary of Charles Lindbergh's flight from New York to Paris. It took Lindbergh 33 hours to fly the 3000 miles. Thirty-five years later, Astronaut Cooper, in just 34 hours traveled 600,000 miles — 200 times as far as Lindbergh — and he landed within 700 yards of his scheduled touchdown target area.

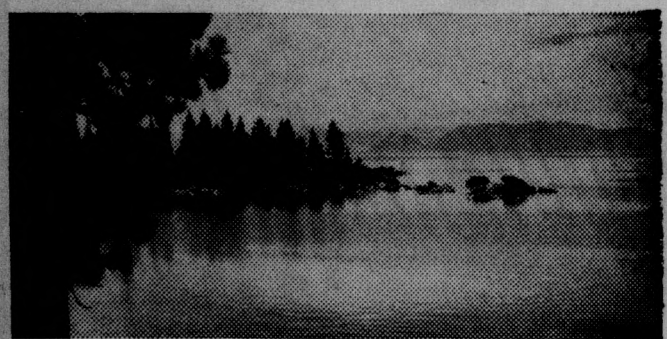

This not only reflects man's ability to make progress in scientific and technological areas but it indicates the rate of acceleration with which events are occurring in society today.

This, also, may not seem to have anything to do with our pharmacy, but it does, for modern pharmacy is also extremely accelerated. Many of the things we did "by hand" in former times are mass produced now, much better in quality and uniformity and at much lower prices to you our friends! Just one example: When penicillin was first discovered, it was not only very scarce, but a million units cost about \$125, but it is much less than \$1 today.

There are any number of such cases and that is one of the reasons you should not delay in getting the prescription filled that your doctor gave to you. Your illness cannot be properly treated unless you explicitly follow your doctor's orders. Many times one will "wait" to see if he feels better before getting the medication ordered for him. A few days may result in a much longer recovery period, or, not getting the prescription filled at all may cost you many times more in lost time and money than the original price of the medication.

Rudolph R. Hartman

Altadena Federal  
Regular Accounts  
At 5 Percent Rate

The board of directors of Altadena Federal Savings has announced its intention to pay the annual rate of 5 per cent on regular passbook accounts, effective July 1. Simultaneously, it announced a new bonus plan which offers savers an effective rate of 5 1/2 per cent, when funds are held for 36 months under this plan in minimum amounts of \$1,000 or multiples thereof.

In making the announcement, Arthur L. Ferris, president of the Association, stated: "These new rates continue to be the highest in the nation on fully insured accounts, and are consistent with newly announced government regulations. It is to be remembered that our current new passbook rate of 5 per cent amounts to 5.13 per cent when your savings with us are compounded daily and maintained for a year."

Altadena Federal Savings' head office is located at 2246 N. Lake Ave., Altadena. The Association also maintains regional offices at Washington and Allen, Pasadena, and at 17053 E. 17th St., Santa Ana.

## In Retrospect

Many of our readers have been urging us to 'really get hot under the collar' and 'put these people' in their place' editorially. But we feel that the time to have put a stop to the mess that we now have in City Council was during the last election. Our readers can probably well remember in an editorial shortly before the last municipal election, we said, if the incumbents were defeated and replaced by some of the inexperienced and not so well qualified office-seekers that they could take the role of "watch-dogs or obstructionists" and we voiced the fear that the latter would be their choice. It is now quite apparent that we were "1000 per cent" correct.

'Nuff said on this subject. Actions speak louder than words.

What we would like to do is attempt to analyze the action the Council took in relation to the swimming pool variance for Don Konkler. It was the vote on the appeal against the action of the Planning Commission; this was the "straw that broke the camel's back" and caused the resignation of Councilman Frank Parks which in turn provided the chain of reactions that followed.

To set the record straight, we attended EVERY meeting of the Planning Commission and Council at which this pool was discussed and our own personal opinion is that Konkler should have been granted his variance with minimal restrictions, sufficient to provide maximum esthetic values. We must go along with the findings of the Planning Commission when the variance came before them twice. Each time they ruled that the applicant proved all four points required for the granting of a variance.

We don't know whether we would go along with the opinion of Ex-Councilman Parks that it was a personal vendetta but we must admit that there was some weird reasoning by the members of Council.

Let's attempt an analysis of each councilman's vote. We believe Councilman Parks voted with his heart and figured now here is a man that took out a building permit for a swimming pool and took it at its face value; believing that it was backed by the city. This is an assumption that is only natural.

We believe Councilwoman Maddox was convinced the pool was morally right but a violation, and that she could vote against the variance and correct it with an ordinance; an ordinance she introduced, but which has a long way to go before it can be put into final form ready for adoption. Too long, for a man with a pool, an incomplete yard and sitting on hot coals waiting on five people to settle the issue in view of past delays.

Mayor King voted against it, we believe, having in the back of his mind that he could get through Council a 10-year moratorium on abatement, for removal of the pool. Again, this would be little to shout about on the part of the pool owner; ss might be possible at any time for members of the Council to change their mind and set a shorter abatement period.

Councilman Wagner at first voted in favor of granting the variance but then changed his mind, saying that since the permit was given to Anthony Pools and not Mr. Konkler, they should know better. He said the permit says that they guarantee to abide by all city ordinances. This line of reasoning was over-ruled by the Assistant City Attorney a few months ago at a hearing before the Planning Commission. When the attorney for the plaintiff stated that it was Anthony Pools that would suffer and not M. Konkler he was ruled out of order, as the matter of to whom the permit was granted was not germane to the case.

Councilman Sorensen was put on the spot the second time around by having to rule after listening to hours of tape and going through reams of transcripts. He showed his faith in the Planning Commission, who had also spent hours listening to this matter on two separate occasions. His "No" vote against the appeal and in favor of the variance was given, we believe after thoughtful deliberation and soul-searching.

One fact that we feel the councilmen voting against the variance should have kept in mind, we believe, was the opinion handed them by their Attorney Charles Martin, that should this matter end up in a court of law, he felt that Mr. Konkler would win the suit.

Now, we sincerely believe that the Council should maintain high principles at all times but when the attempt is made to uphold them at the expense of the taxpayers it is a horse of a different color. Maybe it is good for the ego of those individuals but we believe the people would have been better served if they had stated that "even though I feel it is against my better judgment I will vote for the variance in view of the opinion given us by our attorney."

The city has had two cases involving front yard setbacks go into court recently and they have ended in decisions favorable to the city, but now the court will look back at these past rulings and see that nothing has changed to prevent further misinterpretations and therefore the city must assume responsibility for the granting of the permit.

The city may well end up by permitting the pool and having to pay court costs, lawyers' fees and for possible damage done to the property of Mr. Konkler awaiting a ruling.

This pool situation has been in and out of the Planning Commission and Council for about a year and it looks like when the "Buck" comes to rest the taxpayer is the one that again gets the short end.

Even though the city may be insured against such suits the insuring agency will soon get sick and tired of paying city claims and shove up the premium to a much higher figure and judging by the past actions of this Council we sure couldn't blame them. If we lost the suit, Mr. Konkler will have his pool. The insurance company and the taxpayers will pay. Either way it goes, it will be costly to the taxpayer.

The intentions of the individual Councilman may be of the highest degree but it like the old saw is quoted: "The road to hell is paved with good intentions."

Perhaps this editorial may seem to some as coming too late, but we felt it improper to comment as long as the matter was before the Council and we did not wish to jeopardize Mr. Konkler's chances by having someone accuse us of trying to influence the Council. Now it is beyond that point and we feel that Mr. Konkler will seek and receive redress through the courts.

Attorney Martin has a reputation for winning suit after suit for the city and when he says he believes the court's ruling may be in Konkler's favor, from our point of view "It's Gospel."

## Sierra Madre News

Published every Thursday at 9 Kersting Court, Sierra Madre, California, Los Angeles County, Post Office Box 37, Zip Code 91024. Telephone 335-3254 or 335-3325. The Sierra Madre News, Official Newspaper of the City of Sierra Madre is declared a Newspaper of General Circulation for the publication of legal notices, as defined by Section 4460 of the Political Code of the State of California, in the Superior Court of Los Angeles County August 19, 1936. Adjudication Decree Number, 404,764. A First Class Newspaper entered as Second Class Matter at Sierra Madre Post Office October 2, 1906, under Act of Congress of March 3rd, 1879.

## DR. HENRY V. WITTY

Management of this newspaper is not capable of answering questions to this column; however letters to the editor will be published.

Would you have been concerned if, during World War II, a Nazi had murdered our President right here in our own country?

Yet, a Communist, Lee Harvey Oswald, who maintained contact with Party Headquarters in New York, murdered President Kennedy.

Would it have bothered you if, after the assassination of the President by a Nazi, a top Nazi newspaper had called for a special Commission headed by a hero of the Nazis to investigate the crime, only to have the new President appoint exactly such a Commission three days later?

Yet, following President Kennedy's assassination, the Communist newspaper The Worker recommended that President Johnson form a Commission with Earl Warren as its head to make an investigation. Three days later, Johnson did exactly that and Earl Warren later selected as Assistant Counsel for the Commission a man who had belonged to one of the notorious Communist fronts in the country. (The Warren Court and its decisions have been honored with victory rallies by the Community Party.)

Would you have sought the impeachment of the President if, during World War II he had asked American mothers to sacrifice their sons to stop Hitler and, at the same time, requested an increase in trade with the Nazis?

Yet, in his State of the Union Address, the President asked us to sacrifice American manhood in a war against the Communists in South Vietnam and, in the same speech, asked that we build more bridges to the East through increased trade with the Communists.

Would it have startled you, during World War II, if our government had encouraged businessmen to sell Nazi goods in their stores and trade with the Nazis, hence enabling Hitler to have more finances with which to slaughter our sons?

Yet, just this last September, the State Department said it was against the national interest for people to oppose the sale of Communist goods in American stores, or to oppose trade with the Communists by American businessmen. Could this mean that the national interest of the Johnson Administration is to promote Communism?

Would you have suspected something if, during World War II, a man who had made substantial contributions to the Nazi Party and had been declared a security risk was honored at a White House ceremony?

Yet, President Johnson presented a \$50,000 tax-free award and a gold medal at the White House to Dr. Julius Robert Oppenheimer, who made contributions to the Communist Party and, up to the time of his death, was listed as a security risk.

Would you have disagreed with our defense policies during World War II if the Secretary of Defense had said our objectives against the Nazis were limited and did not include the destruction of the Nazi regime in Berlin?

Yet, Secretary McNamara asserted in October, 1966,

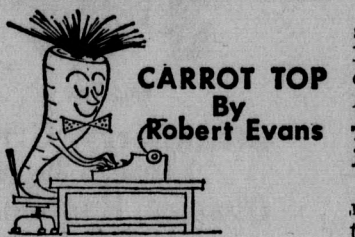

that our objectives in Vietnam are limited, and do not include the destruction of the Communist regime in North Vietnam.

Would you have been disturbed if, during World War II, the courts had permitted a Nazi to run for political office in one of our States, and the Nazi had then received the votes of thousands of Americans?

Yet, an open and avowed leader of the Communist Party was allowed by the courts to run for a county office in the State of California recently, and she received over 87,000 votes (Dorothy Healy.)

Would you have taken the Nazi threat seriously if, during World War II, they had claimed credit for starting one of the worst riots in our country's history?

Yet, a Communist took credit for the Watts riot with all its destruction, pillage and bloodshed, and boasted that his group had spent two years in Watts agitating for the uprising. —Thanks to former Secretary of Agriculture Ezra Taft Benson.

support one newspaper, let alone three or four. The merchants here just do not have the business to do it.

—CT—  
Sierra Madreans are "traveling people" when it comes to spending their dollars. Just recently a major chain grocery took a close analysis of Sierra Madre and discovered for one thing that over 1-million dollars in grocery purchases were going out of our city each year. Just think that over . . . we have two of the finest supermarkets to be found, and circulation-wise the Sierra Madre News goes into 93 per cent of those homes . . . still 1-million dollars worth of groceries are purchased elsewhere.

—CT—  
Being what is called a "bedroom town," our people are just not interested in the town and have very little interest in how it is run or how it is "kept up." Many of them work in other areas, and have little, if any, loyalties to Sierra Madre.

—CT—  
I could go on and on and on about this subject, but when you see reports coming out of the State Capital that show where the State as a whole is showing an increase of 2% in business and the County 14%, and that Sierra Madre shows a drop of 8%, you fairly well can "ferret" out the reason.

—CT—  
In closing the column for this week, I emphatically state it is not newsstands that worry me, it's what is happening to the beautiful town of Sierra Madre. If we could promote "unity and brotherly love" throughout our community, plus cooperation and understanding, the entire population of our community would have a different outlook on life as a whole, and we would all start pulling together, I hope, I hope, I hope.

## Ten Years Ago: July 11, 1957

Sierra Madre Minor League championship was won by the Yankees. They upset the much favored Braves by winning the deciding game 8 to 7.

Dr. and Mrs. William Hindle honeymooned in Carmel following their wedding reception, July 2. She is the former Susan Larence Summan of 332 Sturtevant.

Patricia Ann Winchell married Raymond Owen Powell on June 28. They will reside in Sierra Madre following their honeymoon.

## Twenty Years Ago: July 10, 1947

Harry B. Humphreys, son of Mr. and Mrs. Harry C. Humphreys, was elected Commander of the local American Legion Post at the July 2 Dugout meeting.

Mr. and Mrs. C. F. Fritz of 476 Sturtevant Drive are proud parents. Their daughter, Claudia Fritz, nosed out 24 challengers to take first place in the Baby Beauty Contest at United Parcels Delivery Service annual picnic.

Sierra Madre summer school starts this coming Monday with 40 students enrolled. The term ends Aug. 2.

## Thirty Years Ago: July 9, 1937

Dr. W. B. Heagerty, the new rector at the Church of the Ascension, preached his first sermon last Sunday. He read the early history of the church and elaborated on some of the philosophy.

A list of birthday greetings for the month: W. H. Ingram, Jean Brooks, Mrs. Don Abbott, Donald O. Rourke, Jim Heasley Jr., Barbara Lou West, James Dally, Mary Colt, Guy Scott, Dorothy Wilson and Gene Krug.

Four dairies that are adjacent to Wilson Junior High School may have to pull up their roots and move if the County's court decision goes against them. There's a question of zoning.

## Fifty Years Ago: July 13, 1917

Plans are being made in Sierra Madre for calling up men for the draft. Approximately 12 men will be chosen. Quota for the State of California is now being determined.

Mr. and Mrs. F. H. Hartman and daughter, Vera, are spending the week at Venice. Mr. Shreve of Santa Monica is taking Mr. Hartman's place at the drug store.

Mr. and Mrs. C. L. Twycross and son, Randolph, and Mrs. M. H. Clark were the guests of Mr. and Mrs. William F. Bixby of Hollywood last weekend.

At first the Star Spangled Banner was not very popular with the American people.

Americans are spending more money on the performing arts. It is estimated \$430-million is spent each year on opera, ballets and other performances as compared with \$127-million in 1929.

Britain once claimed the west coast from Oregon to Alaska.

# California Federal has a Big Money Idea to eliminate vacation bills:

## Save now. Play later.

Nothing sours vacation memories more quickly than installment plan travel bills that start when the trip ends. Like paying for oats for a dead horse. Plus interest of 10% or more. Far better to use California Federal's installment savings plan. Before you go. The installments are up to you. You set them on the basis of how much Big Money you need. And we add dividends, the nation's highest on insured passbook savings. You end up with more to spend and 100% more fun. You'll enjoy our Big Money treatment, too. Friendly service. The \$1.4 billion assets-strength of the nation's largest federal. Start saving now. Drop us a card later.

### Nation's highest earnings on insured savings.

**5.127% annual yield on passbook accounts** when savings and all dividends remain a year, if our 5% current annual rate is compounded daily and maintained a year.

**5.25% on new bonus accounts.** 3-year bonus certificates on \$1,000 minimum accounts earn ¼ % yearly bonus above base rate for the period starting July 1, 1967. Payable at end of 3-year period. (Bonus & current 5% base rate = 5.25%)

Dividends paid quarterly. Funds received by 10th of any month earn from first of month. After the 10th, funds earn from date received. Funds in account 3 months earn to day withdrawn. Accounts insured to \$15,000 by a permanent agency of the U. S. Government. Established in 1925. Federally chartered and supervised.

### HOME LOANS

For purchase • Individual construction • Remodeling & improvement • See us now for competitive interest rates, fast service, and convenient terms.

Purchase loan • For your loan consult any office below listed as  $\Delta$

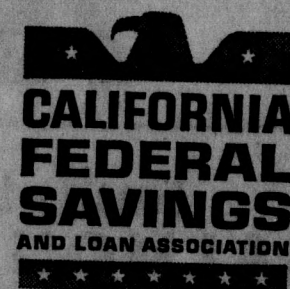

Individual construction or remodeling • Discuss your plans with any office below or our construction loan department. Phone 937-0321, ext. 554.

Property improvement • Loans provide 100% financing up to \$5,000 with 8 years to pay. For room additions, pools, patios, repairs. Come in or phone any office.
